Taco rub rail lights

It doesn't get any better than that! From the new Masthead Anchor Light Mounts to the integrated line of our LED Surface Mount and Rub Rail Mounted LED navigation lights, find some of the latest marine electronic innovations here! Our LED lights are impact-resistant, waterproof for non-immersion and tested to meet the highest standards put in place by the U.S. Coast Guard. Extremely efficient and wired for a low draw of less than 1 amp, our LED lights are ideal for gunnels, t-tops, towers, hatches and other areas of a boat that require more light.
