x check out our new website. shop.jimmythebaker.com Jimmy The Baker Home Gallery About Jimmy Contact Us Home Gallery About Jimmy Contact Us Copyright 2021 We believe that the true Cinnamon Crumb Cake (Coffee Cake) should be made in layers. Our Cinnamon Crumb cake coffee cake variety has a layer of cinnamon roll filling us between two moist layers of cake. Plus two plus two side add the New York crumb style. Each individually wrapped Crumb Cake is 6.5 ounces and is 3 servings. Our Cinnamon Crumb Cake is built on tradition in New York that all crumb cakes should have plenty of cinnamon crumbs. But, unlike many traditional coffee cakes that are usually dry, mix a traditional coffee cake batter with sour cream that guarantees you a moist brown crumb cake that stays that way for days. It would be a Sprout Creek Cinnamon Crumb Cake without our cinnamon swirling across the cake giving cinnamon lovers a guaranteed cinnamon boost they require. Try a quick 15 seconds in the microwave to bring out the butter and cinnamon. Sprout Creek Bakery creates delicious giftables including, Crumb Cakes, Brownies, Blondies, Dessert Bar, Cake Ring, Loafs Desserts and Sweet Breads that are sure to ask you for seconds. After years of improvements, Sprout Creek Bakery chooses to use the best ingredients on the market to bring our loyal customers the best tasting desserts.
