

Kaze no stigma season 2 episode list

Wikipedia sheet article Cover of the first DVD compilation, published by Kadokawa. Kaze no Stigma (4聖痕, lit. Stigma of the Wind) is an anime series directed by Jun'ichi Sakata and produced by Gonzo. [1] They are based on a series of light novels, Kaze no Stigma, written by Takahiro Yamato, and adapt the original material in a fourday episode. The conspiracy episodes are based on Kazume Kannagi's return to Japan after he was expelled by his clan, and his then interactions with his clan. From April 2007 to September 2007, the series was on 13 networks in Japan, with Chiba TV, Fukui TV, Tokyo MX TV, TV Hokkaido and TV Saitama, which first broadcast the episodes on April 11, 2007. [1] The remaining networks began airing episodes later in May, with the exception of Kumamoto, which aired the first episode on 14 May 2007. [1] The series was named funimation entertainment in North America. The second English version, named by Animax Asia, was on their network from 19 May to 21 June 2010. [2] Four pieces of dark music are used for episodes; one open theme and three final themes. The opening theme is the explosion of wind Saori Kiuji. The final themes are Kiujujine Hitorikiri no Sora and Matataki no Kiwoku Ayumi Fujimura, Yuka Inokuchi and Shizuka Itō, with either playing for all episodes of Save Episode Twelve, which includes Sakai Tanako's Tsuki Hana no Inori. On May 30, 2007, the single for Blast of wind was released, and on August 18, 2007 to July 25, 2008, Kadokawa released 12 DVD compilations containing two episodes of Anime.
