Delayed Birthday Translating How To Enter World Class Drag and Drop Documents Translate Now May 9, 2020 Happy Belated Birthday So a special day? Or do you have to celebrate your birthday for the first time in a Spanish-speaking environment this year? Don't worry, Clozemaster is here to help! Here you will find all the ways to say Happy brthday in Spanish, what else you can say to make someone's birthday special, and what to expect from native speakers when it's your birthday in Spanish. Feliz cumple – cumple is a more colloquial way of saying birthday and is widely used in the Spanish-speaking world. So if you want to say Happy Birthday in Spanish in a more informal and friendly way, don't hesitate to use this instead. Felicidades – Feli Felicitaciones – this can be translated with greetings, but also congratulations like Felicidaden. However, this is a little more nuanced and formal, so it is heard less frequently than the other three greetings, but also congratulations like Felicidaden. However, this is a little more nuanced and formal, so it is heard less frequently than the other three greetings. The most common way to wish someone a happy birthday in Spanish is felicidades. Click on the play button next to each sentence to hear its pronunciation: The word cumpleaos The world cumpleaos is a compound word in Spanish, just like the English word birthday. However, if we break them down in the words cumple is a form of the verb cumplir, for which the next English translation is to be turned as in I'm turning 24 this year. That means years. So literally, we have years. Doesn't sound good in English, but in Spanish it makes perfect sense. For example, cumpleaos has a very diverse expression and can be translated in many ways. It can mean having a birthday Cumplir a'os. can be translated with a birthday. In these circumstances, it is used in the same way as its English counterpart. For example: El niéo cumplir a'os. (My mother is always anxious when she has a birthday.) It can replace the Nounz cumpleaos Cumplir a'os is also often used where we consider the English, but the use of cumple a'os el 30 de abril. (My birthday is April 30th.) Mi papé cumple a'os el sébado. (My father's birthday is on Saturday.) It can mean to rotate an age You can also add the age between cumplir and aos to express the meaning Turn X age. In more informal Spanish, you can drop the a'os. Ella va a cumplir 30 a'os ma'ana. (She will be 30 years old tomorrow.) Cuando cumpla 18, por fin voy a poder salir con mis amigos. (When I turn 18, I can finally go out with my friends.) Good wishes Spanish usually like to speak as much love and happiness with their language as they can. So along with the saying Happy Birthday, it is very, very common in Spanish to add some good wishes or special messages to show how much you really want the person to have a happy birthday. Important grammar note You can notice that absolutely all the well requests listed below are formed with the present subjunctive voltage. Check out this Spanish Subjunctive guide to Spanish Obsessed to learn more about what it means. Essentially, these expressions show one of the main uses of the subjunctive yerb + predicate. Because this structure is not used in English, these expressions can be a little confusing to you. An easy way to think of it is as if this que corresponds to the English may, which it is in this context. The idea is that the donor of the good is not specified. If it's still confusing for you, you could also add Espero (I hope) before the Que, which would essentially give the same meaning, but then there's more emphasis on the donor of the message. In any case, I have added a literal translation under the meaning for sentences that are a little more difficult to decipher. All the following are very common on someone's birthday in the Spanish-speaking world: Que lo pases bien! Means: Have a happy birthday! Literal translation: May you spend it well! Que tengas un dia especial! Means: Have a special day! Que disfrutes tu dia! Means: Enjoy your day! Que cumplas muchos més! Meaning: Hopefully you have some one true! Literal translation: May you shoot a lot more! If these expressions are not sufficient... Maybe you have someone special in mind and you really want to send them a nice, heartfelt birthday message in Spanish. But you trust your ability to be sweet and in Spanish. Here is a cool website where you can find a number of different birthday messages. You can be sure that the message is appropriate because it is categorized according to your relationship with the person! Spanish questions that you might be asked around your birthday time, are you who will be the birthday boy or the girl and you want to know how to act in the Spanish-speaking world around this time of year? In response to Happy Birthday in Spanish, a simple gracias is usually enough. You may be asked a few other questions at the time of your birthday, so here's how to handle these conversations. Cuéntos a'os vas a cumplir? Means: How old do you get? Answer: Voy a cumplir X a'os. (I turn X.) OR: No me gusta decir mi edad. (I don't like to say my age.) Cuéndo's tu cumpleaos? Means: When is your birthday? Answer: No necesito nada, pero much'simas gracias. (I don't need anything, but thank you.) OR: Me puedes regalar... (Can you get me...) Qué vas a hacer para/en tu cumplea'os? Meaning: What are you going to do for/on your birthdays, the culture in Spanish-speaking countries is very similar to the Englishspeaking countries. By this I mean parties, cakes and gifts are commonplace. If you say that, there are some regional traditions that vary from country to country. In Latin American countries, girls celebrate a big birthday party and celebrate when they turn 15 – she is traditionally seen as a woman. This party is known as the Quincia-era. For boys, the bigger celebration takes place at the age of 18. Happy Birthday Song in Spanish The Spanish The Spanish-speaking world is so diverse and vibrant that there is no universal Happy Birthday tune that we know and love – so in case of doubt, you can just hum along! By saying that (just to make things even more complicated), many countries have their own traditional vocals as well as the more famous melody. Short note: Cumpleaos feliz because it is sung like this in the song. In fact, cumplea'os feliz is just a poetic version of the standard Feliz-Cum-Pleaos. It was probably formulated the other way around in the song because it was better into the I am good. In short, you wouldn't just say cumpleaos feliz to a friend. Say. is the Spanish Happy Birthday song I know from the time with Colombians. Lyrics for most Spanish-speaking nations versions for the song can be found here. But for now, read the lyrics of this version and see if you can understand the meaning. The translation is done on the right. Cumpleaéos feliz Que los cumpliendo Hasta el ao 3 mil. Happy Birthday We wish you birthday (name) Happy birthday you have a happy birthday May You have more birthdays You can have with birthdays up to the year 3000. +100Sign in to Yahoo Answers and earn 100 points today. Terms: Privacy AdChoices RSS HelpAbout Responses Community Policy Leaderboard Knowledge Partner Points & Say Feliz cumplea'os! This phrase means Happy Birthday and is used to greet someone on their birthday. It is suitable for everyone in any situation. Pronounce feliz cumplea'os fay-LEEZ KOOM-play-ahn-yohs. [2] You can add the person's name or their relationship to you if you want to say Happy Birthday in a more informal way to a friend, you can also say feliz cumple (fay-LEEZ KOOM-play). [3] 2 Use Felicidades to offer general congratulations. Felicidades (fay-lee-see-DAH-days) means congratulations. Although it may seem strange for you to congratulate someone on their birthday, it is a common birthday wish for Spanish speakers. This is especially appropriate if you have already wished the person a happy birthday. [4] For example, if you attended a friend's birthday party, you could say feliz cumplea'os, when you arrived, then say felicidades when you left. You can also tell felicidades en tu d'a what congratulations on your day means. 3 Tell the birthday celebrant that you hope they will celebrate many more birthdays. If you wanted to express this feeling in Spanish, you would say: Que cumplas muchos més! [5] A literal translation of the sentence would be that you fill in much more. Pronounce it kay KOOM-plahs MOO-chohs mahs. 4 Sing the song in English that you may already be familiar with. The Spanish texts are nicht unbedingt direkt in die Texte in s. Englisch . [6] Die Texte f'r das lateinamerikanische Geburtstagslied lauten: Happy meets you! Happy meet you dear (Name), happy meet you dear (Name), happy meet you dear (Name) meet cumplea'os feliz. te deseamos todos. cumplea'os feliz. Tip: Happy birthday songs can be quite elaborate in Spanish cultures. Many Latin American countries, such as Colombia, Venezuela and Chile, have their own versions of the traditional Happy Birthday song, some of which have several verses and can be quite lengthy. 1 Prepare to celebrate with the whole family. In Spanishspeaking cultures, a birthday is considered a family, including extended family, is usually there. [7] If you are a friend at one of these parties, expect the family to be warm, loving and welcoming. Especially in Spain you can hug a lot of people you don't know. 2 Recognize the importance of Quinceaera for a 15-year-old girl. In Latin American countries, especially Mexico, a girl's 15th birthday means she's going to be here. The event traditionally begins with a divine service and requires formal clothing. [8] Part of the divine service is the misa de accién de gracias, through which the girl thanks for the completion of childhood. The festjada (birthday child) traditionally receives gifts from her family, including tias and jewelry. The party usually includes an elaborate banquet with food, followed by music and dance, which can last until the early hours of the morning. 3 Eat a tres leches cake at Mexican birthday parties. The tres leches cake is a huge, multi-coloured cake that serves as the centerpiece for Mexican birthday celebrations. These cakes are often decorated in a theme that reflects something the birthday is a big F'tbol fan, you might expect the tres leches cake to be iced to look like a F'tbol pitch, complete with tiny players and fans in the stands cheering on their teams. 4 Beat blindfolded on a piaata. A piaata is one of the most famous Spanish traditions. These colorful Papel-Maché figures come in different shapes and sizes and are filled with small toys and sweets. Partygoers take turns trying to hit the Piata with a stick until it bursts, and spray treats everywhere so that all partygoers can have it. [10] The donkey-shaped Piaata, typically sold in the US and Europe, is rarely seen in Latin American countries. The piaata can have a shape that reflects the theme of the tres leches cake. While partygoers try to the others sing the traditional Piata song that Dale, Watch as the birthday celebrant smashed his face into a cake. In Mexico in The birthday celebrant's hands are tied behind her back and her face is smashed into the birthday cake so they can end the first bite. Around them, the partygoers chanted [11] The word mordida means bite. In this context, the singing of the party guests encourages the birthday party to let the first bite end. Tip: Music plays a major role in Spanish and Latin American culture. As with the Piaata, there is a song that is traditionally associated with la mordida. When you go to a Spanish or Latin American birthday gifts are usually not particularly expensive or expensive, especially in Spain. Children always receive small gifts, usually books, toys and sweets. Adults are not allowed to receive gifts at all. [12] If you don't feel right going to a birthday party without a gift, consider a gift such as a calendar, mug, or a beautiful ink pen.
