The message from our main dear families, Tenakilla Puma,It is truly an honor to be the principal of Tenakilla High School, where staff, students and parents strive to make this community we can all be proud to call our own. Puma Pride, as we came to call it, encapsulates duality in meaning. Individually, we show our pride in our school through active demonstrations of respect, honor and integrity; while together, we function as pride with group purposes and concern for each other's academic, social and emotional well-being. In a community like this, every student is able to reach their full potential, without any restrictions. We invite parents and community members to join our Pride for the support of our students at Tenakilla. You can do this by being active PTO members, volunteering your services and expertise to educise our students, and continually supporting the work we do here. I hope you find our site useful and easy to navigate. Our calendar contains all school events and subscription, so you can add it to your own calendar. For parents, make sure you have a Schoology account to keep track of your student's daily progress its or its classes, and make sure you check your Genesis Parent Portal account for new progress and trimester ratings. Both of these sites have quick links at the top of the page for easy access. There's no better than Tenahill High School.We're Tenahill's Pumas! Join our pride. Together the world will hear us ROAR!
