Missing songs wishin on the star (feat. KingRikoX) !!! Know the lyrics wishin on the stars (feat. KingRikoX) by Rucci? Don't keep it to yourself! Present now Wishin on Star (feat. KingRikoX) lyrics !!! The lyrics for this song have yet to be released. Verify that the song is released. Rucci's fanbase continues to organically grow through snippets of songs on social media. It seems, with a small tease of popularity and desire for the whole song, causing an uproar, creating a cycle of curiosity, which in turn helps to create more fans. We saw that over and over again with their tracks like Cholo, Like Woah & Part one (until we knew it was one part) Wishing On a Star. The Part 1 snippet still resurfaces on the timeline from time to time, despite its release in May 2018 of its El Perro mixtape. It seems that producer RoMo & KingxRiko vocals are back in it part 2, this time getting their hands on a sample that will surely bring more fans. Wishing On a Star Pt.2 is a vocal one & only Selena from her Dreaming of You single. The late Tejan singer's vocals seem to be somewhat repeated along with Rick's vocals. With just the right amount of bass, Rick's vocals say, I'm not going to let you leave.. Gotta be patient with me. As Rucci finds his poem, that can pull on the heart of controversial love species that can easily turn into a game gone wrong. Or maybe it's just me, anyway, when the secondary parts of the song are usually remixes, Wishing On a Star Pt.2 is just one of those tracks that shows us the softer side of all of us. Listen & share below! f Rose Royce Lyrics Wishing On A Star I'm Wishin' on The Star Track, where you are I'm wishin' on the dream track, what i mean I'm wishin on the Star Track, where you are I'm wishin on dreams track what it means, and I wish on all the rainbows that i see i would like for all the people who really dream and I wishin' about tomorrow, Pray that will come and I wishin' for all the lovin' we ever thought I would never see time when you will be so far from home so far from me Just think about all the moments that we missed I just can't let you go, I'm meant for you and I didn't want to hurt you, but I know that love game you take advantage of what you sow I feel it's time for us to untie, baby I feel it's time for us to come back together and do everything Oh baby, when we're together do or never feel it's time for us to unlink, baby feel it's time for us to come back together and do our best, 'Oh baby, when we're together Do I wishin' on the star track where you are I'm wishin' about dream track what it means and I wish on all the rainbows that i see I would like for all people We've ever welcomed And I'm hopin' on all come and days go And I'm hopin' days lovin' on the star track where you are I want on the star, whoa-oh And I wish on all the rainbows that I see I'm wishin' on the star track where you are I'm wishin' on the star And I wish on all the rainbows that I see I wishin' on the star track where you are I'm wishin' on the star oh I'm beggin and prayin' baby I'm wishin' on the star, oh To follow where you are I'm wishin' on a star, baby To follow where you might be...
