Take your pronouns out of Formal Conjugation Thank you for your participation! The possessive adjectives in English are: me, you, his, her, us, their. They show possession. [see full lesson] The Spanish possessive adjectives are: mi me (singular) miss me (plural) tu your (singular) tuss your (plural, familiar) su his, her (singular) she susses, her (plural) su them, your (singular) susses them, your (plural) nuestro(a) our (enfolded) nuestros(as) we (plural) vuestro(a) your (singular) vuestros(a) your (plural, familiar) A possessive adjective always blusita; mi faldita. - my little blouse; my little skirt nuestras flores - our floral su pelota - its bal tu perro - your dog miss zapatos - my shoes A possessive pronoun indicates possession or belonging makes a reference to the owner and the object possession. We can't mistake them with possessive adjectives as they always go next to a noun; the pronouns replace them. The Spanish-possessive pronouns are listed in the table below. [see full lesson] Singular Plural el mío loose míos la mía las mías el tuyo loose tuyos la tuya las tuyas el suyo loose suyos la suya las suyas el nuestro loose nuestros la nuestras la vuestras el vuestro loose vuestros la vuestra las vuestras A belonging Tus discos boy más recientes - Your records are newer than mine. Los nuestros boy muy buenos. Ours is very good. Podemos hacerlo con el tuyo. We can do it with yours. Load sábanas pequeñas boy suyas. - The little sheets are his/hers. Use Possessive Adjectives Using Possessive Pronouns vs Adjectives A possessive adjective accompanies a noun. mi embarque - my shipment tu feficio - your advantage nuestro arreglo - our arrangement su sinceridad - silk, her, their or your sincerity su padre - she, her, their or your dad sus porridge - she, her, their or your parents sus fondos - she, her, their or your money The Spanish possessive adjective should agree with the number of items a person has mi libro - my book misses libros - two books The nosotros and vosotros also form change in gender;. nuestro libro - our book nuestra mesa - our desk nuestras familias - our families familias refrescos - our soda Possessive Pronouns - Singular male Yo (mine) el mío la mía Tú (yours) el tuyo la tuya Él. Ella (sy, hair) el suyo la suya Nosotros, Nosotras (ours) el nuestro la nuestra Ellos, Ellas (theirs) el suyo la suya Posse srees - Plural male female Yo (mine) loses myos las mías Tú (yours) loose tuyos , Ella (his, hair) loses suyos las , Nosotras (ours) loses nuestros load nuestras Ellos, Ellas (theirs) loses suyos las suyas We use the Possessive Pronouns when we want to replace a group of words that indicate a possession relationship. Éste es mi libro. That's my book. In this example, we can replace mi libro (my book) for the possessive pronoun mío (mine) and we would have: Éste es mío. It's mine. or Este libro es mío. This book is mine. In Spanish, the possessive pronouns are normally formed with the definitive article and mío, tuyo, or suyo. Mi coche es rápido. - My car is fast. El mío es más rápido. Mine is faster. In this example, el mío (mine) replaces mi coche (my car) and it is formed by the definitive article male, singular el (the) and the pronoun mío (mine)* Note: Now in Spanish have gender so, when you want to replace them for a pronoun you have to wear it in mind and choose accordingly. Accordingly.
