Voice Changer With Effects is a very simple program that lets you record speech and apply dozens of fun effects to it. Once applied, you can save the clip in your phone's memory to use it as a ringtone, alarm clock, etc. The list of effects you can use is quite extensive and what is more important, quite good. You can make your voice sound like Darth Vader, Bane, Optimus Prime, an alien, death, a demon, a robot, a drunk and more. Is there any app to change voice on Android device? When you try an effect and like it, just press the button next to the 'play' button to save the audio file to your phone's memory or share it over a social network or chat client. This app is a really entertaining sound effects tool to let you have a blast making your friends sound like Darth Vader or other legendary characters.
