The theatre is housed in an art deco building that opened to the public in 1937. It is currently used as an 863-seat concert and entertainment hall. History Theatre was originally built as a cinema and live entertainment venue. The film debuted in public on August 12, 1937, showing the film Ever Since Eve. The original theater was first split in half in 1973 to create two screen spaces. It was then re-split at the end of 1986 to accommodate four screens showing videos of the second launch. The theater was closed in 2000 due to declining attendance and competition from other newer facilities. After purchasing the Uptown Theater in 2000, developer George Altamura announced in 2003 that he had teamed up with several investors, including Francis Ford Coppola, to restore the building as a live entertainment venue. [3] As the renovation of the interior took place, several layers of paint were removed from the ceiling, revealing the original Greco-Roman mural. Artists were brought in to restore the artwork to its original form. Meyer Sound Laboratories played a key role in the design of the premises. [6] [6] reopened on May 14, 2010 with a performance by Big Bad Voodoo Daddy. Since its reopening, the theatre has hosted several hundred performers, including Willie Nelson, Boz Scaggs, Leon Russell, Rosanne Cash, George Thorogood, Merle Haggard, John Prine, Emmylou Harris, Jerry Jeff Walker, Lily Tomlin, B.B. King, Glen Campbell, John Hiatt, Los Lonely Boys, Cyndi Lauper, Lyle Lovett and Robert Cray. The theater ceiling was damaged during the 2014 South Napa earthquake. Although the structure of the building was determined to be solid, the building was marked in red until the renovation was completed. The first event after the earthquake was a concert with Ziggy Marley on November 9, 2014. Uptown is on its way back to the past. Napa Valley Register. Napa, CA: Lee Enterprises, Inc. Tickets and the latest updates of the place Wonderful concert by Mr. McDonald!! He saw it in 2017 in Lincoln, Ca and again 2019, puts on a great show. I've been a big fan since the 70's It's a long story, please read it because it can happen. (thank you) Napa, there is a nice neighborhood, fun shops, nice restaurants too. UPTOWN THEATRE. However, the ticket gal, which scans tickets, was very rude, nasty, , old enough to know better, treat people with kindness. I bought 2 tickets from TicketMaster in January 2019 for the show on April 18, 2019. I paid a lot for tickets, for a lot.. ok lesson learned. I did not know that I bought threw a third party? You had no idea? (I FOUND OUT THAT NIGHT.) So now its April, so excited to see him and be back in Napa. My uncle and I arrive, printed tickets in hand, scan tickets, oops only one is able to read, ok you have to go to the ticket office. No problem, and explain to the young gal, I bought tickets through Ticketmaster, paid a lot for them ... she scans them, again the problem? Ok, I do not understand? (the young gal was very nice.) the next thing I hear is a gal behind me, in her 60s she has a scanning device in her hand, long shoulder-length hair says 'you were stupid!' you should have come here to buy tickets, they can be counterfeit! Wow.... I explained that I live 3 and a half hours away and bought tickets from Ticketmaster in January. Next thing she scans them again, now it works, BUT! SHE SPEAKS LOUDLY IN FRONT OF PEOPLE. (it doesn't take us aside.) IF THEY ARE COUNTERFEIT?. YOU WILL HAVE TO GO OUT AND GO OUTSIDE, BECAUSE REAL PEOPLE PAID FOR THEM? WOW. OH MY, UNBELIEVABLE!? I WAS SO EMBARRASSED, ARE WE SHOCKED THAT SOMEONE WILL TALK TO US THAT WAY? I'M ALMOST 60 YEARS OLD, MY UNCLE IN his 70s. YOU TREAT PEOPLE THAT WAY! (my my was so embarrassed.) It was bad....!! I WASN'T RUDE, NOR DID I SCREAM OR DO SEEN. I WAS SHOCKED!! Yes, we are enjoying the concert with one eye on the theatrical guides!! A nice evening except for this experience. I decided call the manager to explain how it was treated, the boy was and wrong!! I spoke to a gal named (Erica) I explained the situation, thinking I'll get it and I'm sorry it happened, thank you for bringing this to my attention! Saint you know what? , was patronizing, said: I should have been more aware of fakes ? that made you busy, a lot of people etc... wow you're in business to deal with the audience!! And you treat people that way... Wasn't it about money? It was about how rude they were to us, how was it treated? (Looking at their site, Uptown Theater, is there anything on counterfeit tickets?) So keep in mind that !!! Make sure they are really a thing. And yet he will never return to the Uptown Theater. I will never have that embarrassed again nor be treated like a criminal! You lost a great customer, and someone who grew up in the area !... Date of experience: April 20193 Helpful votesAthing
