For meditation > (You must log in or sign up to reply here to The Project Meditation Community Home Forums > Project Meditation Community > Meditation > All information is provided here for historical and research purposes only. Information and program details from this website are not used for the purpose of meditation. Website content is not offered for convenience, or use, meditation, any kind of mental exercise or exercise, or for any other purpose This website and its author will not provide meditation instructions from any means. Repetatavos? Yes, because some people can't take a cue. Provided only for historical and research purposes. This means that, these mantras and other information about these programs are not here for you to use meditation, or use them for any other purpose. If it's not already clear to you, this website is a critic who is no longer TM, and who is, depending on the weather, the maximum TM, the important of TM, and openly, laughing at the folly of TM programs. (Are you wasting your money on this knee?) [Join the club.] And, yes, every often I'm just a little, small little angry that very few people have acquired wealth and power over the fact, the complex mountain of the scoundrel, through which many people have wasted thousands of dollars and many hours if not lives. But this website is done, it's going to be unchanged here for almost ten years, and now I care little about the secondary meditation and organizations that educate it, except that as a cultural and social trend is specific to a few decades of current American history. Nor do I care what you think of me or this website. The mantra and program details were provided to me by former TM teachers in the past away from me. It is just put here to show that they are all, there are some crazy little courses that are not only unique to the thinker nor were they selected in some broad secret way. Now, if you're not clear to you above for some reason, and you're sitting that an email is configured from me about these mantras I read the disclaimer but, well. Go here and read some pieces of previous emails which I've instead. TM technology is a simple mental repeat of a mantra or word. The TM movement claims that only specific words can be used. They claim that the choice of words is based on a secret formula. Court documents have shed some light on this secret process. It is nothing compared to a set of words given by age, and/or age and sex, depending on the teacher training course attended by the TM teacher. The TM-plain program is nothing compared to a set of sutras (words or phrases), mentally repeated every fifteen seconds after the TM's twenty minute session. Each time one is repeated with each other in 15 seconds between the other. 1961 1969-Male Fugga, 1972 Sex Mantra Age Mantra MaleRAMO-15ING0-11ING Women's Shettiram 15-30AING15-30AIM12-13EM 14-16 EMA 14-16 INA 14-16Ema 14-16-15EMMA16-18EMMA16-17EMA 16-18 AEM 16-18 Aim 18-20AX 18-1.1.18 20aeng18-19AING 20-22 AMAA 20-22 Eng 20-22AEM20-22AIM20-21 Objective 22-24 AMA 22-24 Imam 22-24A01-24aenga22-23AINGA 24-26AEMA24-25AIMA 24-30 Sheran 26, -30Sher ing26-30Sher ING26-29Sher ing 30-35 Lions 30-35SHIRIM30-35SHIRIM30-34SHIRING 35-40HIRING 35-40HIRING SERVICES 35-40-Haran-45HIREM40-40HIRE35-45HIREM45 45-50-50KIRIM KONG 40-45-50KIRIM50-54KIRIM 50-55 IN KIRIM50-55KIRIM50-54KIRIM 55-60 pm M 55-60-59Sham 55-60SYAM55-60SIAM 55-9/60 For: SHIMA60 + SHIMA60 + 60 Note 60 60 : The top year of each column indicates this year that the teacher was trained.
