Sehr freundliche Mitarbeiter. Alle ansehen Our customers are our first priority. Comfort heating and air in our same day service promises separates us from other Salina heating and air conditioning companies. Whether residential, commercial or industrial, our heating and air conditioning service and installation specialists can serve your needs. In 2000, Tucker launched comfort heating and air with the aim of providing quality service and comfort in the Salina district. Years later, Tucker continues to serve the public with fast and affordable service. As a family-owned company, we understand the importance of the comfort and safety of your family or employees. Our priority is to ensure that your home or business is a comforting place. Heating and air conditioning services are not the only way we serve the Salina community because our employees and company support many local groups, charities and fundraisers. Tucker started Comfort Heating and Air to serve Salina with his time, effort and money; and he and his specialised staff continue to do just that. We would love to use your business or family and encourage you to call with any heating or air conditioning needs.
