He brought coffee and cream to the office. I was walking my dog and cat in the park the other day. Our family driver took me and my brother to school. My sister bought yogurt and juice from a nearby grocery store. Jed saw a dragon and a unicorn in his sleep. Jing carried her papers and reports to her desks. My mother cooked vegetables and meat for dinner. I love his looks and smiles. You may also like the examples of punctuation sheets. Direct objects versus indirect objects There are times when we get confused with direct objects and indirect objects. They are similar in such a way that they follow and give meaning to the topic and verb in the sentence. The direct object has already been explained above, and now we will compare it with indirect objects. As mentioned, a direct object can be identified by identifying a verb and asking what? Or who? On the other hand, an indirect object can be determined by asking who or what has received the direct object. It usually precedes a direct object. It determines who or for whom the verb is being performed. you can also check examples of budget sheets. Direct objects compared to the subject complementA ComplementA The addition can usually be mistaken for direct objects. To avoid this, you should know that the addition of an item follows a binding verb, such as: eat, eat or have been and completes the subject of a sentence by describing or renaming it. For example, he was happy to find the lost key. You may be interested in a coaching list of examples. For clarity, direct objects in the sentences are displayed in italics.1. I could catch a monkey. If I was starving, I could. I'd make poisonous darts out of the venom of deadly frogs. One milligram of this poison can kill a monkey You can also see examples of debate tables. (McKenzie Crook as Gareth in Experience. 2. We tell ourselves stories to live. (Joan Didion, White Album. Simon Schuster. 1979) 3. Mum opened boxes of crisp crackers... I chopped onions, and Bailey opened two or even three cans of sardines. You may also like examples of newspaper sheets. (Maya Angelou, I know why a bird sings in a cage. 4. (Developers) bulldozed jars to fill the bottom, and landscaped stream of water that remained. (Edward Hoagland, Turtle Courage. 5. She closed the boxes thoroughly. First she kissed her father, then kissed her mother. Then she opened the lid again, lifted the pig and held it by the cheek. You can also check the spelling of sample sheets. (E.B. White, Charlotte's cobwebs. 6. But if thought corrupts language, language can also corrupt thoughts. You can also see examples of fractional sheets. (George Orwell, Politics and English, 1946) 7. You can't test your courage carefully. (Annie Dillard, American childhood. Harper and Rowe, 1987) 8. Dinsdale, he was a good boy. He nailed my head to the coffee table. You may be interested in examples of the biography of the sheet. (Monty Python) 9. Some transit phrasal verbs do not use their direct object when a direct object is implied in the meaning of the idiom. For example, with the phrasal verb stop (to move the vehicle out of the traffic stream, and slow down or stop), it is not necessarily said: I stopped the car because

the car is implied by the idiom. You can just say: I stopped. However... you want a direct object when the action is directed at someone else. For example, when police officers refer someone to a Vehicle from the road and stop, a direct object is required: the officer pulls for someone . You might also like examples of project tables. (Gail Brenner, Webster New World American Idile Handbook. Wylie, 2003)10. In English, both directly and indirectly, there are two generalities of these phrases. If an indirect object is marked with an excuse (usually to), a direct object comes immediately after the verb, and a phrase with an indirect object comes after that, as in I sent a letter to my love where the letter is a direct object sent. You can also see examples of the summary sheet. In alternative order, there is no excuse, and the direct object is the second of two noun phrases, as in I sent my love letter (where the official letter is still a direct object sent). (James R. Herford, Grammar: Student Leadership. Cambridge University Press, 1994) InsightsA direct object is the one that gets the action in the sentence. It can be a noun, a protation, or any part of the speech that functions as a noun. To identify a direct object, you must first identify the verb and then ask what? Or who? It can usually be confused with indirect objects and the subject of additions, which are fully discussed above. You can also see examples of reading a sheet of understanding. We hope that you have a well-understood all about the direct object, and that bringing examples, templates and sheets above have helped you fully understand the subject. Question.
