Calm was raised by the local animals who became her friends and her family because she was a baby when her boat destroyed. Ro grew up very happy without remembering her past or how she arrives on the island. But one day her life changes radically when they landed at the place of the adventurous Prince Antonio; explored near rural areas to its kingdom. The Prince and Ro immediately feel a deep love. So Ro decides to leave the island accompanied by Antonio know that in this way can also know her origin; But on her arrival, the kings do not want Ro to be the prince's wife and quickly planned a wedding with a princess from a nearby kingdom: Princess Luciana's daughter of an evil woman: Queen Ariana. Everything seems complicated for Ro; Queen Ariana will not allow to cancel the wedding and will do everything so that the girl is banished from the kingdom. Ro realizes that she will be very unhappy leaving the island, but when everything seems to be lost, something wonderful will happen to her, something that will change life forever.
