This is the latest Pixar game to be released in Game Boy Advance. The game is set in the world of Radiator Springs cars, and the first Mater-National race game held in Radiator Springs by Lightning McQueen has some new characters in the game. The game has different-looking play areas, and Radiator Springs, Ornament Valley and Tailfin Pass have all been updated. In Tailfin Pass, the road has been completely renovated. In all three play areas, some roads are blocked and can only be played in matches. Like Yuri, he is one of only two new characters in the game who can't play. But again, the unused audio clip hints that he may have been planning to play it during the game's development. Philip also appears in the story of the world of cars. When Doc was looking for a place to settle, he found Philip broken on the side of the road. The doctor decided to repair him and he drove off to thank him for his help. Back in the game, Tommy Joe, Buford, Cletus Lewis, Judd Zeke, Vince, Sonny, Barry, Lenny Fletcher, Spatula Ginormous, The Crippler Trivia Manji, Tabinu and Cho from Tokyo Mater, resemble Otto, Kochie and Emma respectively. This is one of the last games to be launched in GameBoy Advance. This is the first car video game released for the PlayStation 3 Gallery. Add photos to this gallery
