Kenshi engineering research cheat

If you liked this article, please rate it on the Steam Workshop page. This is a refurbishment of the next mod by ForgeDrake (thanks for a great mod, even if you stopped supporting it!): Two new research, Book Binding and Advanced Researching, will give you access to the following: IA Research Bench to turn engineering research into the cores of IA Book Binder to turn paper and ink into the actual book cases books AI cores, ancient science books and engineering research (convenience) Book Research station to turn books into ancient science Engineering Research Research Press (Coton) for the creation of paper from cotton, and the new paper press (hemp) to make ink from raw iron and water Ancient Books Storage for ... Well, you can guess that a two storage containers, one for ink and one for paper conversion rates to do a lot of this stuff can be big enough. For the most part, I kept it at the original mod settings, but I don't remember if I changed anything. The idea is that research often takes a lot of materials to test the scientific method, find and test reproducible results, and all these good things. This is done with this intention in mind, but let me know if you have any suggestions to balance, please be precise. Please report any bugs or problems, and if you have to save files for me to use to test them, I would really appreciate them. Let me know of all the suggestions you have, it's far from a final version and I'm happy to try to work things around so it's not sandboxy, but fair. I hope you enjoy it! If you like this mod and like the idea of making your core operations more efficient, my buddy Timmy has made his first mod that adds more hybrid mines. Check it out if you like the idea: Fix table for Kenshi v.61- thx starblade1 v1.1 fix table update for Kenshi v.60 - thx darkedone02 v1.01 patch Makes a small correction, Change statistics would cause an accident if left on too long, now it sets [SkillPoints] to 0 (disable it) after running a number of times to prevent problems.
