Be sure to use your eText for help while watching and completing ¿Comprendes? activities on each side. In addition, there are text worksheets that must be filled in before the first day of school. Episode #1: eText pg 242 & 243 Episode #2: eText pg 266 & 267 Episode #3: eText pg 292 & 293 Episode #4: eText pg 316 & 317 Episode #5: eText pg 340 & 341 Episode #6: #5 and eText pg 368 & 369 Episode #7: eText pg 394 & 395 Episode #8: eText pg 420 & 421 Episode #9: eText pg 444 & 445 Episode #10: eText pg 468 & 469 I have some exciting news! We will now start watching the popular series, ¿Eres tú, María?, which is about a young private investigator working in Madrid, Spain. Before viewing the episode, read the information below. Make sure you become familiar with the presented vocabulary before watching the video. You'll be glad you did. Antes de ver el video Personages: Lola Lago es detective privada. Doña Lupe es portera de un edificio. Doña Gracia es residente de un piso. Vocabulary: las llaves= keyeset periódico= newspaperel piso= apartment; Floor (of a building)La portera= door holder; In Spain, a person who watches over a building in exchange for a small salary and free apartment. Paraoobserver In this episode, you will see the interior of Lola's apartment. Think about how it can be the same or different from your house or apartment and pay attention to what's there. Para pensar 1. If you were to spend several weeks abroad, would you like to visit a big city like Madrid, or would you prefer to spend your time in the country? Be prepared to make your choice, citing the pros and cons of each type of place. 2. What requirements do you think a person needs to become a private investigator? Be prepared to defend your answer. Now you can watch the first episode and answer the questions below. Después de ver el video ¿Qué observas? Answer the following questions below. A. Check out all the following elements that appear in Lola's apartment. 1. _____ el teléfono? 2. _____ las plantas? 3. _____ el sofá? 4. _____ la mesita? 5. los libros? 6. _____ la silla? 7. _____ el refrigerador? 8. _____ las llaves? 9. _____ las fotografías? 10. _____ las lámparas? Think about how you thought Lola's apartment might be. Were your predictions correct? How was her home the same or different from yours? C. Who describes every statement: Lola, doña Lupe or doña Gracia? Place the correct name or names next to each statement. 1. Es una detective joven. 2. Ace porterá. 3. Su casa está en la Plaza de Alamillo, número 8. 4. Tiene el periódico de doña Gracia. 5. Compra (she buys) un periódico de Gabriel. Para hablar Upload a video trabajs part of your website by you and a partner who completes the following task: You and a partner speak at a kiosk in Spanish. One of you is the newspaper supplier and the other is the customer. The vendor starts the conversation. Try using a real newspaper prop to make your conversation more authentic. A sample dialog follows. The seller- Greet the customer. Ask how he or she is. Answer the customer's questions. Give the customer the newspaper and enter the price in euros. -Say you are welcome and goodbye! On the other: Greet the seller, answer his or her questions, and ask how he or she is. Ask the newspaper: do not forget to say thank you. Pay for it and say thank you. Example conversation Dealer: Buenos días. ¿Qué figuras? Customer: Buenos días, señor/señora. Muy bien gracias. ¿Cómo está Ud? Supplier: Fantástico! Customer: ¿Me da El País, por favor? Supplier: Aquí lo tiene. Un euro, por favor. Customer Tome. Muchas gracias. Supplier: De nada. Hasta mañana. Para escribir Pretend you are Lola Lago and you are trying to find more customers for your business. Write a three-sentence newspaper ad to help attract customers. You can use some of these phrase starters: Me llamo... Soy... Me gusta... Me encanta... Para decir más el cliente, la clienta=clientel crimen=crimeQuiero investigar...I want to investigate... Nota cultural El teléfonoPeople answer the phone differently different places. Hola can be heard in any Hispanic country. Bueno is used in Mexico. In Cuba people say ¿Qué hay? and Olgo. A ver is heard in Colombia. People pick up the phone with Alo in Peru and Ecuador. Al habla and Al aparato are used in several countries. In Spain, people pick up the phone with Digame, Diga, Díme or ¿Sí??. What does Lola say when she picks up the phone? 2. How do you answer the phone? 3. Is it unusual to get a 1.m phone call in your house? Why or why not? Don y doña The words don (used to solve a man) and doña (used to solve a woman) are titles of respect in Spanish that do not have equivalents in English. They are commonly used and written in lowercase unless they are abbreviated. The abbreviations for don (D) and doña (D?) are always capital letters. Don and doña are used before a person's first name, regardless of whether it is followed by the last name: Don Miguel está aquí. D. Miguel Sánchez está a qué. Doña María es mi profesora. D? María Castro es mi profesora. Don and doña are used without the surname to show respect and closeness when you talk to someone. ¿Cómo está, don Miguel? Doña Isabel, ¿cómo está su familia? 3. What title is used in Episodio 1? 2. Who does the name refer to? 3. What titles of respect are used in your community? Para explorar an internet Lola buys a popular Spanish newspaper, El País. Go online to find two other newspapers from Spain. Place links to these papers notices section of your website. Scan the papers for some articles and see how much you can understand. Remember to look for brandy. How do these papers compare to those you and your family read?

I hope you enjoyed watching the first episode of Eres tú, María. I sure would love to find out what happened to doña Gracia! Wouldn't you do that? Now it's time to watch episode 2. Antes de ver el video Resumen del episodio En este episodio, la ambulancia llega (arrivingly lleva (carrier) en doña Gracia al hospital. También llegan dos inspectores de policía. Hablan con doña Lupe, la portera, sobre el incidente en el piso de doña Gracia. Lola se presenta (introduces himself) a los dos hombres y les dice (tells them) lo que sabe del incidente. Presonajes El inspector Gil es inspector de policía. Electricity inspector Peña también es inspector de policía. Vocabulary anoche = Last night! today = to wait ¿Quién era? Who was shesaber = that knowla sobrina = niecevi = I saavive = she livesNo sé = I don't know Para pensar Cognates (Cognados) are words that are similar and have similar meanings in English and Spanish. You will usually be able to guess the meaning if cognates easily. Becoming adept at recognizing brandy will help you understand what you read and increase your vocabulary. Here are some cognates used in the first two episodes of the video. Type the English equivalent next to each one.el inspector-el policía=horrible=el crimen=la víctima=rápido=contento=magnífico=la ambulancia=el detective=la descripción=el hospital=la plaza=personas= clientes= Para observar You will see an ambulance in this episode. When watching the video, pay attention to its license plate. How is it different from an American license plate? Después de ver el video ¿Qué observas? Did you notice the license plate on the ambulance? What's the first letter? What do you think it stands for?
