While one might think that most current buying takes place in or around Black Friday, sales of merchandise holidays are in full swing in December, and it's a month when you can do some great buying for loved ones who realm DVD releases. From TV hits like the last season of Game of Thrones and Orville (which is heading to Hulu after its return to schedule) to some big budget movies like IT Chapter 2 and Hustlers even for some awards contenders like Judy or once in Hollywood, there's a lot to see on this month's list. If you're looking for a good stocking stuffer or even a holiday present for your bad self, you can take a look at what December has to offer below. Usually, Digital releases are the same day as a regular DVD release, unless otherwise specified in the early Digital releases section. Happy hunting and even happier shopping this holiday season. Game of Thrones: Complete Series Collector's Edition Game of Thrones: Complete Eighth Season of Goldfinch (Book Already Available) Ready or Not to Train Your Dragon: Homecoming Simpsons Season 19 (Many Other Simpsons Episodes Available at Disney + The Simpsons: Complete Seasons 1-20 Limited Edition Killerman City on the Hill: Season 1 Parts You Lose Reliant Turtle Odysseus Savage Buttons : Christmas Tale Raise Hell: Life and Times molly Ivins Early Digital Releases Ad Astra Rambo : Last Blood Abominable IT Chapter Two Once Upon a Time in Hollywood Once Hollywood 4K Collector's Edition Hustlers Family Guy Season 17 Orville: Complete Second Season Fanatic Along Came Devil 2 Suits: Season Nine, Final Season Doc Martin Series 9 Lucky Day Death Dick Long Early Digital Releases Judy Downton Abbey Ad Astra Abominable Rambo: Last Blood Fuller House: Complete Fourth Season Killyjoys : Complete Fifth Season Overcomer Bernie Dolphin 2 Where's My Roy Cohn? Acceleration Mr. Inbetween: Season 3 Atlanta Robin 'Danger Close Trick Early Digital Releases Lucy In The Sky Lighthouse (December 20) Judy Kill Team Early Digital Releases Addams Family Jexi Zombieland: Double Tap After All, there have been many other great releases in recent months; so if someone in your family is an avid TV series collector or is the ultimate cinephile, there would be plenty to choose from. DVD, Digital, Blu-ray and 4K releases from early this year are also available for a peek below. As we wrap up for 2019 and head to 2020, they are separated after the release of the month! November is always a fast and furious month for theaters as families flock to seats, especially around thanksgiving. It's also a great month entertainment releases. I'd assume that's because Black Friday looms at the end of the month, and some studios want to crowd out headlines that fans may want to jump on. For TV lovers among us and all you movie fans, there's plenty to pick up during November 2019. From popular TV shows like Yellowstone and Cobra Kai to movies like Hobbs & Shaw and The Art of Racing Rain, whether you like acting or feeling all the feelings, you should find something to reel in for you this month. Typically, Blu-ray, DVD, and digital releases are on the same day, unless otherwise specified in the column in the early digital release. Happy reading, and happy shopping on Black Friday if you should choose to venture out into the crowds. Fast & Furious Gifts: Hobbs & Shaw Scary Stories tell Dark Yellowstone: Season 2 Kitchen Art Racing Rain Castlevania: Season 2 Good Omens Ms. Fisher's Modern Murder Mysteries: Series 1 Undercover Brother 2 Boy Genius Christmas Break-In Corporate Animals Prey Riot Riot Girls Ophelia Early Digital Releases Dora and Lost City Golden Peanut Butter Falcon Bang Theory : Twelfth and Last Season of The Good Boys Angry Birds Movie 2 Peanut Fling Falcon 47 Meters Down : Uncaged At Wedding Poldark: Complete Fifth Season Farewell to Cobrai Kai: Season 1 & Season 2 Limited Collector's Edition Weekend Heathers: 30Th Anniversary Limited Edition Steelbook Snow White Christmas D-Day: Battle of Omaha Beach Brian Banks Polaroid Star Trek: Discovery - Season 2 100: Complete Sixth Season Aquarela Cross: Rise of the Villains Early Digital Releases IT Chapter Two Where'd You Go, Bernadette? Bennett's War Dora and the Lost City Gold Catch-22 Handmaid's Tale: Season 3 Dazzled by The Light Of The Cold War Taken Down Divine Fury Cold Case Hammar skjöld American Dreamer Das Boot: Complete First Season Kominsky Method: Complete First Season Angel Is Dropped Where'd You Go, Bernadette Official Secrets Line Of Duty: Series 5 Don't Let Go Blindspot : Complete Fourth Season of Mary Driver Early Digital Releases Downton Abbey Hustlers Although October is a Great Month for Brand New TV , it's less great on the home entertainment front. That said, there are some great movies and TV releases coming our way in October, especially when it comes to Disney summer blockbusters. For example, Sony Spider-Man: Far From Home will finally be hitting Blu-ray and DVD, and will come with a lot of goodies. In a completely different vein, some classic movies will get 4K releases. While there isn't a ton of TV hitting home in October, Chernobyl is getting its big hard copy release. The HBO project just nabbed a ton of awards at the 2019 Emmys, so if you haven't tested it yet, October may be the time. Later this month, we'll get to see Toy Story 4 and the Lion King make it Debuts into home, and some horror hits including this summer's Midsommar and Annabelle Comes Home also timely entrance to the format. As usual, early digital releases are listed separately; unless otherwise specified, Digital releases are on the same day as Blu-ray, DVD and 4K releases. Spider-Man: Far from home Chernobyl Anna and Apocalypse Doom Patrol: Complete First Season Maiden Driven Charmed: Complete First Season Spider web Scooby-Doo! Return to Zombie Island Pan's Maze [4K] Zombieland [4K] Good Omens Gremlins: 35th Anniversary [4K] Mean Girls: 15th Anniversary Jarhead: Law of Return Doom: Destruction of Gangster The Cop The Devil The Addams Family 2-Move Collection Encounter Itsy Bitsy Gen:Lock - The Complete First Season Tell Me A Story: The Complete First Season Early Digital Releases Toy Story 4 Stuber Semper Fi Toy Story 4 Midsommar Deadwood : The Movie Annabelle Comes Home Vikings: Season 5 Vol. Vs Teen Titans The Art of Self-Defense Fearless Vampire Killers (Warner Archive) 1967 Haunting the Hill House: Season 1 Already Gone Can You Keep A Secret? Night Hunter Three Of Hell Early Digital Releases Hobbs & Shaw Lion King Veronica Mars 007 Daniel Craig Collection 4k Ultra Hd Angel Of Mine Bloodline Don't Be Afraid Of The Dark (Warner Archive) 1973 NOS4A2: Season 1 Legend of the Demon Cat Galaxy Quest: 20Th Anniversary Never Give Up, Never Surrender Edition David Crosby Remember: My Name Satanic Panic But Tone True Kurls Wonder Woman : Bloodlines Early Digital Releases Scary Stories tell Dark Luce Discovery Witches: Series 1 10 Minutes Gone Mr. Nice Guy Extended Original Cut (Warner Archive) 1996 Days of Wine and Roses (Warner Archive) September is the month's most major network TV return. As such, if you are big fans of a particular show, there are plenty of extra TV fixes in this month compared to others. It's a good thing that a lot of tv comes back because it would be a pretty slow month for movies. On the bright side, there are plenty of fun movies hitting Blu-ray, DVD and Digital this month, from indie hits like Booksmart to big releases like Men in Black International. A long and long list, filled with aliens and CBS and HBO dramas, can be seen below. Please note that Disney eventually decided to add X-Men to the title of X-Men: Dark Phoenix release as well. Booksmart Men In Black International Bull: Season Three Young Sheldon: Complete Second Season Goldbergs: Season 6 Ma Cold Blood Mary Magdalene True Detective: Complete Third Season Into Ashes I Got Hook Up 2 Canal Street Nightmare Cinema Wind Wind Sixteenth season of X-Men: Dark Phoenix The Dead Don't Die John Wick: Chapter 3 - Parabellum Aladdin (2019) Aladdin: Ultimate Collector Edition (original animated) Hawaii Five-0: Ninth season Chicago PD: Season Six Dead Don't Die This Is Us: Complete Third Season Weird: Complete Fourteenth Season of Armstrong Seal Team: Season Two Yesterday Children's Play Shaft Elementary School: Final Season Modern Family : Season 10 Dark Phoenix Wild Rose Supergirl : Complete Fourth Season Bodied Good Fight: Season 3 Children's Play Yesterday Shaft American Horror Story: Apocalypse Legends Of Tomorrow: Complete Fourth Season of The Good Witch: Season 5 Madam Secretary: Season Five Awake Billions: Season Four Anna Hit To Solve Pavarotti First King Burn Jacob's Ladder Inside Man: Most Wanted Daughter Wolf Skin As You Can See, There's a Lot to Look Forward To In September 2019 , but if you're interested in what's already ours, you can take a full look at last month's releases, below! As the weather continues to heat up in August 2019, some children go back to school, while others have another month to putz around. If it's too hot to go out, it can be cool to try a family movie at night, and there are plenty of releases coming in August that work for fans of a young old old. It ranges from titles like Detective Pikachu to the PG spectrum extravaganza, such as Avengers: Endgame, which finally hit Blu-ray and DVD in August and should answer some questions about the flick. For cinephiles, there is a lot to come too. The month will begin with the indie flick Tolkien, starring Nicholas Hoult, as well as the limited theatrical release Amazing Grace, about Aretha Franklin. Along with these kinds of hits, there will be plenty coming into the TV realm as well. The networks traditionally installed fall TV with a slew of last season's releases, and this August fans will get plenty of new TV fodder from network hits such as Blacklist subscription cable hits like Season 7 Homeland. Be sure to take a full look at what else comes with our list below. Rocketman Brightburn Hustle Dog's Journey The Sun is also Star Godzilla: King of Monsters Secret Life Of Pets 2 Men Black International Booksmart Ma John Wick Chapter 3: Parabellum Apparently, Avengers: Endgame recently made box office history. I'd expect Blu-ray, DVD and Digital release to also do well after its August 13th release this month. We've seen deleted scenes nodding at Tony Stark's story in the last Avengers movie already, and that's a promising slew of extras, from the gag reel to more deleted scenes and some behind-the-scenes fodder featuring a star-studded cast. Ownership of the film is undoubtedly the most exciting part, but these extras would be cool, however. Continue scrolling for more Blu-ray, DVD Digital hits from 2019. While June had some great and somewhat patriotic releases like Captain Marvel and Jack Ryan, July is looking a whole lot wider in terms of what we're getting on DVD. Sure, we're getting a great superhero movie moment in Shazam's home entertainment releases and some comics villains in the last few seasons of Gotham, but there are also countless TV and movie releases across a whole lot of different genres from breakthrough manifesto. If we're talking in highly anticipated releases, Alita: Battle Angel can make a cake, as fans can be hoping for second collector sets and more to choose from. Still, Digital releases this month are not too shabby, especially if you think CGI'd raccoons or yellow Pokemon with a prey to coffee being cute. In the meantime, June's releases are still rolling out if you wanted to take a look at what recently became available. In the meantime, let's look to the future and see what is coming to 4K, 3D, Blu-ray, DVD and Digital during the hot, hot heat of July. Typically, Digital releases are the same day as the main hard copy kits, unless otherwise specified at the beginning of the Digital release column. Best of The Enemies Styx National Escape Plan 3 Acceptable Loss Of Violent Separation Mia and White Lion Shazam! Breakthrough Teen Spirit Pet Sematary Little Gotham: Complete Fifth Season Broad City: Complete Series Broad City: Season 5 Magicians: Season Four High Life After Professor Alita: Battle Angel Hellboy Missing Link Shazam! Breakthrough Criminal Minds: Complete Fourteenth Season Titans: Complete First Season Little Woods Teen Spirit Abduction Fast Color Dogman Long Shot Curse La Llorona Intruder Alita: Battle Angel Alita: Battle Angel Collector's Set Of Missing Link Hellboy Manifesto: Complete First Season Hail Satan? Master Z: Ip Man Legacy assimilate Critters Attack Long Shot Good Place: The Complete Third Season UglyDolls Body at Brighton Rock White Crow The Hot Zone El Chicano Domino Intruder Deadly Class: Season One Of Course, DVD and Blu-ray set avengers: Endgame won't be coming until August, but it's still nice you'll be able to see it at home next month. In fact, there may be some overlap between home entertainment and DVD releases, as the flick is re-launching the theater with a special release aimed at superfans (and that Avatar box office record.) We will have to wait and see if the movie manages to make a slew of extra money with all the bells and whistles, but I have to guess that at least it will be a pretty big seller of dvd and digital. At least fans will be treated to an additional scene between Tony and Howard Stark to have a treat. In general, it's not a bad way to start wrapping your summer with some fun movie (or TV!) nights. Be sure to catch the releases when they or see when they hit streaming with our guide. Guide.
