Letters to my palestinian neighbor epub

Letter to my Palestinian neighbor Author Yossi Klein Halevi Subject Israeli-Palestinian conflict Publisher Harper Publication May 15, 2018 Pages 224 ISBN 978-0-06-284491-0 Website letterstomyneighbor.com Letters to My Palestinian Neighbor is a 2018 nonfiction book on the Israeli-Palestinian conflict by Yossi Klein Halevi. In the book, Halevi opens a dialogue with an imaginable Palestinian neighbor ... He framed his chapters as a series of letters to that neighbor including brief, balanced history - on topics such as the history of modern Jewish Rehabilitation and the occupation of the West Bank and Gaza - and his own memories of growing up an American Jewish who feared that Israel would be destroyed in 1967, moved to Israel, and how his romance with the settlement movement ended. [1] Halevi said that he was looking to start the first public conversation between an Israeli writer and our neighbor about who we are, why we found ourselves indigenous to this land, and what our common future in the region was. He is making Letters to My Palestinian Neighbor available for free download in Arabic and he has invited Palestinians, Arabs, and Muslims to write to him in response to the book to start a dialogue. He can publish the exchange as a next part. [4] The letter received to my Palestinian neighbor received positive reviews. Kirkus Reviews called it a plea for 'radical goodwill' in the face of seemingly incurable bad blood between Israelis and Palestinians. [5] Publishers Weekly described it as a sincere, sympathetic plea to connect and acknowledge each other. [1] In its first week of publishing, the book was included on The New York Times bestseller list for hardcover novels. [6] Reference ^ a 5 Letters to My Palestinian Neighbor by Yossi Klein Halevi. External Links Official Website Taken from © 1996-2015, Amazon.com, Inc. o società link. New York Times bestseller Now with a new Epilogue, containing response letters from Palestinian readers. A profound and unique book, the work of a talented thinker. --Daphne The Wall Street Journal Tries to break the painful stalemate between Israelis and Palestinians, Israeli commentators and award-winning authors of Like Dreamers directly address their Palestinian neighbors in taut and provocative books, sympathetic to Palestinian suffering and yearning for reconciliation as he explores how the conflict looks through Israel's eyes. I call you a neighbor because I don't know your name, or anything personal about you. With our circumstances, the neighbor may be a word too ordinary to describe our relationship. We are intruders into each other's dreams, violating each other's sense of home. We are the incarnation of each other's worst historical nightmares. Neighbors? The letter to my Palestinian neighbor is one of Israel's strongest efforts to reach beyond the wall that separates Israel and Palestine and into the hearts of the enemy. In a series of letters, Yossi Klein Halevi explains what prompted him to leave his native New York in his twenties and move to Israel to participate in the film about the innovation of a Jewish homeland, which he pledged to see successfully as a morally responsible democratic state in the Middle East. This is an Israeli author's first attempt to directly resolve his Palestinian neighbors and describe how the conflict appeared through Israeli eyes. Halevi removed the thought and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he sheds light on the intricate strands of faith, pride, anger and suffering he feels as a Jewish living in Israel, using his personal history and experience as his guide. Halevi's letters not only speak to his Palestinian neighbor, but also to all relevant global citizens, helping us understand the painful choices facing Israelis and Palestinians that will ultimately help determine the fate of the region. My dear Israeli neighbor, I want to thank you for all your efforts and for all the information that you have provided in your book. Sometimes, I feel that your words have been too harsh. On...
