From our humble beginnings, when services were held in the same room building, to our present facility with its jewel as a sanctuary, Shomray Torah has grown and continues to evolve. Shomray Torah is affiliated with the United Synagogue of Conservative Judaism and is an egalitarian community - both men and women contribute equally to our vitality. We are a synagogue that is open to interfaith families and accepts them, and we enable everyone to participate in the lives of communities. While our outlook is progressive, our atmosphere is clearly haimishe (warm and friendly). From the moment a member of our family welcomes you into our community, you will realize that Shomray Torah is not just a place to perform religious persecution, but is also your Jewish home away from home.
