## Magpul mid length handguard

PMAGS SUPPLIES GRIPS HAND PROTECTORS RAIL PROTECTORS + ACCESSORIES SIGHTS OTHER ROBUST CONSTRUCTIONS**Shows standard plastic AR15 medium length hand guardsReinforced, Heat-resistant polymer constructionIntegral rintified aluminum heat shield LIGHT WEIGHT REINFORCED HEAT-RESISTANT POLYMER CONSTRUCTION**Front and long side attachments protect against mounting with a grtful view Product Overview Product Overview Customer review Magpul MOE M-LOK Handguard - Medium length is a lightweight but durable replacement for standard plastic manual AR15/M4 protectors with medium length gas systems. It combines a lightweight standard hand protector with the modular flexibility of the M-LOK system. Magpul MOE M-LOK Handguard – Medium length is designed for versatility on AR15/M4 platforms. M-LOK slots in two, six and ten-hour positions offer greater flexibility and allow connection of optional 1913 Picatinny rail sections and other M-LOK accessories for direct installation of tactical lights, slingshots, handles, etc. Reinforced, heat-resistant polymer construction Magpul MOE M-LOK Handguard - Medium length is designed from reinforced, heat-resistant polymer, which ensures service life without weight and cost of aluminum rail protector. The front attachments and the lower reel protect the hand from the hot gas block and provide additional protection for the operator from mounting the hot front view. Features: Replaces standard plastic AR15 medium length handguards Compatible with both 'direct precipitation' and most piston-driven gas systems easy to install using existing delta ring and round or triangular front handheld protective cap M-LOK slots on two, six and ten hour positions for mounting MIL-STD-1913 Picatinny rails or other direct connection M-LOK accessory reinforced, Heat-resistant polymer construction Integral roused aluminum heat shield Front reel and side attachments, hand shields from hot gas block Lightweight surface at the top rear holds the most overhanging optical holders Specifications: Platform: AR10, AR15, M4, M16 Weight: 8.7 oz. Width: 2.2 in. Compatibility: AR15 / M4 rifles with medium-length gas systems. Height, except lip: 2.5 inches. Length, total: 9.2 in. Length, assembly: 8.6 in. NOTES: MOE M-LOK Hand Guard – Mid-Length is a direct replacement for factory-type hand covers and utilizes the existing front hand guard and delta ring. Made in the US At3 Tactical Store has a 90 day no-hassle return policy for products in good condition. Detailed information about our return policy can be viewed here. If, 90 days after purchase, you experience a problem or defect with the product, you can contact the manufacturer who will claim the warranty. Their policies are below. If you ever encounter a problem with Magpul at any time, no matter where it was purchased, please contact us directly and we will do everything Help. To make a return, please do the following: Please contact us first before returning any products to receive the Return Merchandise Authorization (RMA) number and visibly write it on the outside of the package. Packages will not be accepted without RMA. Provide a note with your name, delivery address, phone number and email, RMA number and reason for return (including, where applicable, information about the firearm, ammunition and use environment for defective returns). Don't send ammunition. Wrap the item with quality padding and put it in the original packaging or in a suitable box for transportation. A UPS shipping label will be provided in your shipment. If you are using the original packaging, remove or cover the original shipping label. Glue the pre-printed return label to the outside of the box. Drop the shipment at an official or authorized UPS drop point. All refunds will be applied to the credit card used for the original purchase. You should allow one to two billing cycles for the refund to appear on your statement. Note: The manufacturer's warranty may change without notice.
