Therefore, a 16-year-old student entering a non-11th grade, or a student entering year 11, must provide satisfactory evidence of current vaccinations against meningococcal disease. If your child is currently over 16 years old, this is the time when he/she needs these vaccinations. To get vaccinated, make an appointment with your doctor or local health unit. Children who receive the required vaccinations should ask their doctor/health unit to renew their Louisiana Universal Vaccination Certificate for school records. Complete vaccinations by December 1, 2020. This allows time during the Thanksgiving break to get this vaccination. Email your questions to the Borger High School Nurse - kristi.stoll@bossierschools.org Dear Bear Cut Nation, 2020 football season is coming and we're excited to start!Freshman! As you know, our players and students have had a disappointing start to our season. Bossie High lost two home games, Spirit Night, and the annual freshman jamboree due to the COVID-19 pandemic. Because of these precautionary changes, our team has lost the significant revenue needed to maintain the needs of our players and programs. Our team hopes PayPal recover the lost season costs in our fundraising projects. These costs include fall billing, refereeing, travel and food costs. Our team is looking forward to playing football this year and continuing the tradition of bare cuts. Ladies and gentlemen, this season has been very important and our team is grateful for the support you can provide! The school will continue to operate at the orange level - Thursday, November 12, 2020. The private school plan will be posted on the school's website on Thursday, August 27, and the Fort Labusse School Division is working with our community to prepare students for the future by providing quality education and promoting lifelong learning in a caring environment while making the most of resources. Welcome to kick-ass 2 Chris D'Amico/Motherf%&\*r's official fan site: A world full of superheroes. Wait until they get my load. I'm going to pay for what Kick-Ass did to my dad! kick-ass 2, the sequel to the hugely successful Kick-Ass movie in 2010, features some returning actors from the original film who admire their roles. It was released in the US on 16 August 2013 and in the UK two days earlier on 14 August. The film received mixed reactions from critics. Plot: After Dave Ryzewski (Aaron Taylor-Johnson) retires from Kick-Ass, the film picks up, but it was boring that I started training again with Mindy McCready (Chloe Grace Moretz) aka Hit Girl. Chris D'Amico (Christopher Mintz-Plasse) takes over his father's criminal empire after accidentally killing his mother after his death and is dressed as S&M to become a supervylan the. Dave resumed his superhero role as Kick-Ass and joined the Justice Forever team led by Colonel Stars and Stripes (Jim Carrey), but Mindy was arrested by her guardians, forced to give up her cape and live as an ordinary high school student, but eventuallyMeanwhile, the started his own team of crooked villains to take revenge on Kick-Ass. and Kick-Ass fight against the former who lost it to superheroes. Kick-Ass reached out as he was about to fall from the building, but the chose to fall to his demise. The first installment of this film was a great success that it had a huge cult to follow. Kick-Ass 2 takes the same formula of violence, very dirty language and sexual innuendo beyond the usual superhero movies, but where the first film was fun and witty, Kick-Ass 2 takes a more conventional approach to the story. Of course, movies thrive on comedy lines, but they also have their share of drama. Due to the low-key budget of superhero movies, the action scenes were decent, but there may be some shots using a green screen background. The protagonists hold up well to their roles with some prominent moments and some interesting character arcs. Growing up now, Chloe Moretz fits into the kick's ass and curses hit girl and more ordinary high school student Mindy. Christopher Mintz-Plasse is the great villain for this comedy film. Kick-Ass 2 also has a nice set of supporting casts to launch. All in all, Kick-Ass 2 wasn't as great as the first movie, but it offers. It's good in that it has all the signature elements of a Kick-Ass movie series, but it's not as cutting edge as the first one. But this movie is sure to satisfy hardcore fans of the first movie!
