Learn more about how to engage homes for rent & sale near this school This school is rated below average in school quality compared to other schools in Tennessee. Students here are doing about an average year-on-year academic improvement, and students perform below average on state tests. Students at this school are making average academic progress, considering where they were last year, compared to similar students in the state. Average progress with low test scores means... that students start from a low point but keep up with their peers. Parent tip Test scores at this school fall below the state average. This suggests that the majority of pupils in this school may not achieve class-level results. Parent tip Notice something missing or confusing? ENVIRONMENT Thank you for submitting your rating for!
