To buy and download apps, go to the Mac App Store. A study of English is prevalent all over the world, and high school and college students everywhere have come to realize that language mastery depends on the possession of a comprehensive vocabulary. This is just what the 1100 words you need to know have been offered through five previous editions and continuing this sixth. 1100 Words you need to know are expanded and updated more: Word lists and definitions, analogy exercises, Word context exercises. All new words students learn are placed in the context of sentences that are selected from well-known novels, plays, poems, newspaper editorials and TV shows. For optimal and enjoyable learning, the authors recommend 15-minute sessions with this book. Over the years, thousands of students preparing for the SAT and ACT have relied on previous editions of 1100 words that you need to know as the perfect way to strengthen your power of words. The new feature in the sixth edition is Lighter Touch 100, a collection of 100 funny one-liners that use the words of the book that you need to know. You need to view this version and make sure that some of the word meanings are correct. It also did not match the word list and the exercise list. I also need to fix it. In general, it is a good and useful app to learn words, and I loved the short story telling the process of understanding meaning. I don't know how to thank you. This application is what I've been looking for for some time. The book does not give pronunciation and now this app solves that issue and it is a great help for anyone who wants and tries to develop their vocabulary skills using Barron's 1,100 words. Keep up the good work. Really useful, but the only problem is listing, I have to scroll through a lot to find a chapter ... Developer Le Bin has not provided Apple with details about its privacy practices and how it handled the data. For more information, see the developer privacy policy. The developer must provide privacy details when it submits an update to its next app. The app support privacy policy is the best book in the world. We've already learned 30 words and we're very happy with this book. The design is amazing, the text is very clever and educational, only five words a day, words are repeated later in the book so you don't forget anything! The idiom is cute and the sentences are naljakad. me work with me and my 11-year-old child. We make copies and work and discuss the text, the meaning of words, the idiom and we will very much enjoy this book. I took a picture from the cover and sent it to all my friends who have children in high schools or people who want to improve their English. I'd be happy to give him 100 stars if I could get the best buy! I'll buy more and send it to family members who learn English as a second language.
