Answer: If you support REAL ID, which means that your license/ID card has a gold star towards the top right corner, it is only required to bring the current license/ID card into the office. If there is a change in your REAL ID-compatible license/ID card, such as a change of address, you must bring proof of legal presence, and if you have a change of address, proof of your new address is required. If you do not comply with REAL ID, you must bring the standard documents required by REAL ID to prove legal residency. These documents are described HERE. The cost update of your license is \$31.25. 5. I changed my address online after receiving a Real ID-compatible card. Will I need to present proof of address during my next office visit? Answer: Yes. You will be asked to submit two proofs of your new address. 6. How do I get the VETERAN designation on my Florida License or ID Card? Answer: Florida veterans who honorably served their country can now add a veteran designation to their license or ID card. You will need to present your DD-214, which shows the honorable discharge of active duty. A retired military ID card or veterans affairs ID card can be used instead of the DD-214. For the original issuance and renewal, the designation is added at no additional cost (license fees apply). For replacements where we are only adding the designation and there are no other changes, all fees are waived. For a replacement where the previous license is lost or other changes are made, replacement license charges apply. Go to What to bring to make sure you have all the other required documents. The tax collector's service fee is exempted for all transactions when the Veteran status test is presented or already registered. Veterans who need to obtain a copy of their DD-214 can apply through the National Archives, which provides information on how to apply online HERE. 7. Which tax collector offices offer driver's license and ID card services? All Tax Collector Offices offer driver's license services by appointment only. Class E Road tests are only provided at the northwest branch, and CDL hazardous materials requests are only provided at the Southwest branch. 8. Why have the license and ID card requirements changed? Answer: Florida has passed laws that will help better protect our citizens and visitors by strengthening our ability to verify an applicant's identity and legal presence in the United States. The changes will help increase our overall security. 10. I only have copies of my documents, not original ones. What should I do? Answer: You will need to request certified documents. For example, a Social Security replacement card is free, while a Florida certified birth certificate processed at the Tax Collector's office is \$21.25. If you need help determining how to obtain replacement documents, visit What to bring and click Document Help or call our Customer Service Line at (352) 374-5236. 11. Can I get a driver's license and ID card? Answer: Unfortunately, no. Florida law requires the delivery of all licenses and identification cards in your possession in order to be issued a new driver's license or ID card immediately? Answer: No, since Florida is a Real ID-compatible state, you have until October 1, 2021 to get a new unless your renewal is earlier than this date. However, if you must visit an office to update or make changes to your license, you will be asked to meet the Real ID requirements.
