Game plot The story is typical of the zombie apocalypse. We can say that infection from all over the world with a mysterious virus is already a classic of the genre. The story of DEAD TRIGGER 2 is not remarkable in this regard. People from all over the planet, with the exception of a lucky couple, have turned into the undead, who instinctively try to destroy all life. You just need to get out of the fortress of bloodthirsty monsters! Game process The gameplay is not as simple as it seems at first glance. In the game we are waiting for many enemies, which from level to level will only become more! At the beginning of the game, you will only have one wrench at your disposal, and the chances of staying alive are are in this case, the wrench will always be with you, because the ammo on the gun, as you may have guessed, is not infinite, and it is extremely rare to roll on the road. Game management is implemented by a traditional group of joystick + active keys. At the same time, in the settings, the developer left the opportunity to customize the controls for himself, choosing two joysticks or leaving gestures.
