Hp probook 4530s i7

LJ521LA-ABM Manufacturer: HP Smart Performance. View, present, video conferencing and multitasking in this stylish and rugged notebook. This versatile and secure HP ProBook features a 15.6-inch diagonal HD monitor that makes excellent printing in and out of the office. Features

With original Windows 7 Professional and/or other operating systems

Equipped to run your job

With the original Windows 7 Professional, you have robust processor capability, wireless features and a 15.6-inch diagonal HD screen. Elegant design

The metallic grey color complements the vertical finish of the burnt aluminum. The sleek look of your PC stands out along the way between your home and your workplace, with the addition of an aluminum cabinet. Security Beyond Passwords

Without access to your information using HP Face Recognition technology or fingerprint reader, and protect your notebook and critical data with HP ProtectTools. Stay productive easily

Use HP QuickWeb to access the Internet, email, contacts, and calendar quickly at the touch of a button with no extended startup times. Transparent collaboration

Has reduced your communication costs and improves your productivity with hd webcam for video conferencing, dual matrix microphones and SRS Premium sound for better sound quality. The best of both worlds

I am also the battery life when you need and get excellent graphics performance whenever you want with AMD Dynamic Switchable Graphics technology that adapts to your needs continuously. Recibe exclusive promociones
