We create experiences to help children play well together, so they can play well in the world. Games and gifts connect children and families, encourage learning and expression themselves and leave strong imagination. When playing out of the heart and feeding the soul, this peaceful kingdom! The fun and drastic team in Peace Kingdom has been based in Berkeley, CA since their creation in 1983. Their focus has moved over the years, from chemical posters and paper to toys, stickers, and greeting cards to children. Peace products in the Kingdom aim to help adults connect with children in their lives, and for children to connect with each other. This is evident with their range of co-operation games, encouraging children to work together towards a common goal. All products are designed in-house by the talented artists and vision and develop toys. Peace Kingdom has a global presence, export to countries such as Australia, Canada, Hong Kong, China, the UK, and Mexico. The product range will continue to grow, from scratch to ever scratch 'n' sniffers to play cards, cooperative games and much more. Children learn about color and use little strategy to get all the horses back into the nest before the sun rises. Hoot Owl Hoot has several levels, making it easy to differentiate depending on their age and ability in kids. This game is a fabulous painting game for drugs. What we especially love about Hoot HorseBack is that it is a beginner cooperative game. This means that all players work together, collaboratively finding all the horses in the nest to win the game. Players are always looking to do what they ask us to do. They are always looking to do what they ask us to do. They learn valuable lessons and social skills while playing the game together. Kingdom that can't persist horse Owl game: Cooperative Games has the added benefit of playing communicating positively, helping support and promoting each other. They build positive reports and promote and nuril their relationship. Hoot Horse Hoot takes 10 to 15minutes to play. It's designed for 4yrs+ and between 2 to 4 players. Includes: gameboard, 6 owl token, 1 sun flow, 14 sun maps, 36 color cards and instructions for version 2 of Play. Still have a few questions for us?
