Take full advantage of Windows 10 with the optional 14-inch HD or HD+ display with optional multitouch capabilities, and TrackPad that supports Windows 8 gestures. Usability comes with superior performance: 4th generation intel® 1 TB of off 10+ hours of battery life. With the T440, you can easily manage complex spreadsheets, large documents, and visually intense presentations. Finally, with the MIL-SPEc durability and fiberglass design for a tough yet lightweight laptop, the T440 is designed to meet the needs of your business. T440, Light in design. heavy in Performance. The Lenovo ThinkPad T440 14 laptop starts at just 4 lbs and with a 0.8 profile at its thick point, is mobile as good as powerful. Superior display: 14-inch HD, HD+ multitouch capability (option) display for clear and crisp visual enhanced performance: Powered by 4th generation Intel® Core™ processors Simplified usability: Intel® vPro™ makes security and handling easy and easy long-lasting performance: Capable of more than 10 hours of battery life * Performance Amazing performance with 4th generation Intel® Core™ processors Windows 10 for better performance Loads of space for software , data, movies, and more, with up to 1TB HDD or SSD Gorgeous screen compatibility with the 14-inch display in HD and HD+ options Connection Boost your productivity by adding an extra screen, use the miniDisplayPort with audio or VGA port Transfer data quickly and easily with 2 USB 3.0 ports Transfer images, movies, music and data from your smartphones, cameras and more , with the SD card reader Sharing files and pairing with other devices is simple and easy, with (optional) Near Field Communication (NFC) on The T440 Endurance Meets Mil-Spec Criteria for Durability Fiberglass design makes T440 tough but lightweight Usability Smooth, intuitive computing with Windows 10 and an optional touchscreen Twice the size of the TrackPad, which supports Windows 10 gestures The reputed ThinkPad® Precision keyboard takes typing comfort to a new level 4th Generation Intel® Core™ Processors Lenovo :e generation Intel Core processors provide performance to increase the productivity of your business. Devices are activated in an instant and are always up to date. You can multitask quickly and move effortlessly between applications, collaborate wirelessly in a high-quality video conference all with the convenience of longer battery life. In addition, you can protect yourself from identity theft and ensure secure access to your network with built-in security features. In fact, the only thing more amazing than an Intel Core processor-based PC is what your users will do with it. Windows 7 or 10 Choose a model with the new Windows 10 or Windows 7 Pro to enjoy the best of both work and play Power Bridge battery Deliver up to 10 hours Battery life The usual configuration of the T440 laptop includes a 3-cell batteries, swappable. Power Bridge allows you to replace the rear battery without turning off your system. This is much needed for long flights or travelers away from power sources for a longer period of time and can give you up to use without having to connect. Precision Keyboard Enhanced for Windows 10 Full-sized and spill-resistant, the ergonomic Lenovo ThinkPad T440 notebook keyboard is renowned for its array of keys, excellent feel and TrackPoint® pointing. Optimized for Windows 10 with convenient multimedia buttons and instant access to display apps, it has LED status indicators and feature lock capabilities. With a larger, smooth trackpad and 5-point click integration indicated by subtle bumps and stripes, the keyboard can be configured in several ways, while the optional backlight allows working in the dark effortlessly. 14 HD display The powerful HD display delivers bright, crisp visual graphics and a wide viewing area. Anti-glare technology makes the screen comfortable to watch even for a long time. 4G/3G Connectivity Connecting to 4G and 3G wireless networks is easy with a pre-installed SIM card and the easy-to-use Lenovo Access Connection tool. Ultradurable and MIL-SPEC Tested Thinkpad T440 ultrabook meets eight U.S. military-spec tests for robustness, durability and quality: high pressure, humidity, vibration, high temperature, temperature shock, low pressure (15,000 ft), low temperature and dust. In addition, innovative roll-cage technology and glass-fiber reinforced plastic add extra strength and stiffness. up to 1 TB Storage and USB 3.0 Store up to 1 TB of data locally and transfer data ten times faster with two USB 3.0 ports Dolby Advanced Audio v2 Available on Thinkpad T440 laptop A suite of audio technology from Dolby provides a crisp, clear cinematic surround sound for music, movies, games and more. Hear every detail clearly and experience the full impact of your entertainment anywhere. VGA Port A VGA port for projector connections in conference rooms is still a business must-have, and the Lenovo T440 ultrabook native VGA means no dongles to buy/lose/replace. Lenovo ThinkPad T440 14 laptop starts at just 4 lbs — and with a 0.8 profile at its thickest point, mobile as well as powerful, Dimensions and weight 14.0W (WxDxH): 13.35 x 9.15 x 0.83; 339mm x 232.5mm x 21mm 14.0W MultiTouch (WxDxH): 13.35 x 9.15 x 0.91 ; 339mm x 232.5mm x 23mm Non-MultiTouch 3cell+3cell : 3.79 lb / 1.72kg MultiTouch 3cell+3cell : 4.03 lb / 1.83kg I/O (Input/Output) Ports Two USB 3.0 (one Always on) VGA, Mini DisplayPort Ethernet (RJ-45) Dock connector 4-in-1 reader (MMC, SD, SDHC, SDXC) What experts say about Lenovo T440 Laptopmag.com Lenovo ThinkPad T440s is the business laptop to beat, offers long battery life, a good keyboard and fast performance in a thin and light design. Lenovo's ThinkPad T-Series laptops have a legendary reputation among business users or anyone who needs to get serious work done. The 14-inch ThinkPad T440s continues this rich tradition, offering long battery life, strong performance, a best-of-class keyboard and a touch screen, all in a durable, 3.8-pound package. Notebookcheck.net Lenovo ThinkPad T440s has a clear goal, namely the top. Although the basic model of the Lenovo training series is compelling in many aspects, the ThinkPad T440s always stays on a low noise, never gets uncomfortably hot and at the same time also delivers good battery runtimes.
