20) of terms in puzzles. - See who can find and identify most words (or fill most words) in a certain period of time. - Don't use the students words to ask questions for a Jeopardy-type game for your classmates. - Offer an additional loan! If I assign the word search puzzle as an additional credit, I award 10 points to those students who find all the words. Students who find some words get points based on the percentage they find. For example, if they find 90% of the words, they get 9 out of 10 points. Download Earth Science 's (PDF) word search and browse the second page to example my additional lending method. Students typically have 1-2 days to complete word search puzzles (for their time, not lesson time) and 3-4 days to create word call pages. Puzzle sites Puzzlemaker @ Discovery School – a great site for watching puzzles and other problems!
