Boy summer harem pants

When it comes to harem pants, it's like a father like the son of my boys. My husband loves harem pants (joggers version) for casual chic outfits, and his love for the harem is channeled to my son's casual outfits. I can't believe how gorgeous my little man looks when clad in a harem, just like his dad! I like how this style of pants can be dressed in half or when you want your lil man to look well dressed, but not more than dressed. Take a linen harem pant and pair it with a nice button-down shirt and give you an instant dressed-up look. Here are some harem pants to look like: T-Shirt + Harem Pants Set T-Shirt + Pants / Shoes Merken No need to mix n games, this t-shirt and harem pants that are ready to wear. I would like to finish the look with a pair of shoes that have tone pants. Vintage Jeans Harem Pants T-shirt / Jeans / Shoes I really love these vintage jeans harem pants, there are so many ways to wear it. What I created here is a totally set back, casual look with the shoes as a major statement. But you can also switch the t-shirt with a cozy dirty white button-down shirt with long sleeves. You know, the sleeves are curled and the shirt isn't tucked in? Shirt/Pants/Shoes Here is the closest get-the-look combo I could create to imitate the top of the photo, but these harem pants are made of cotton instead of linen. I love the summer feel of the palm print shirt and chicness of the boat shoes – both perfect for completing a harem look.
