The mission of the library is to provide quality library services that meet the information needs of all segments of society in a friendly, professional, and friendly manner. We now have streaming videos available in our library catalogue. Click on the Library Catalog of this link to go to the catalog page. The link for Kanopy is located on the left. Follow the instructions to set up an account. You need to know your library card number to access the Canopy service. Patrons will be able to download classic movies and documentaries. Over 20,000 videos are available! The Library has access to Ebooks and online audiobooks through the Bridge consortium. In addition to the materials provided through BRIDGES, more access has been purchased only for the Bukit Pleasant library. Access is limited to residents of Bukit Pleasant and residents in rural Polk County. Contact your local library if you live in another community. The library is part of the Central Iowa library consortium, Central Iowa MagNet, which has access to online magazines through Zinio. You need an access code to complete a simple login process. Once you have your account, you can browse from seventy magazines to check out. Contact the library to get access codes or other questions. Don't use your library card number to set up an account. Please use the access code provided by the library. Zinio Online Magazine for the Library. Included in Gale's database collection are various journal and magazine articles. You'll need to contact the library to get the password to use: All Gale Databases Use this link to view available databases. Here's a link to the popular database group. The first link, Power Search, allows you to find them all at the same time. Power Search all databases at the same time General A Collection file database selected to be used in the academic public library A File intended for research at college level Kids Infobits Intended for use by students in primary school research in context intended for use by students in inside school or high school Informe Academico Collection Collection of Spanish-language research database Chilton's Auto Repair Auto repair information for many, many make and Cuban models of newly added library transparent language resources.
