Is area code 855 a toll free number

Subscribe to the BuzzFeed Quizzes - Binge newsletter about the latest questionnaires delivered directly to your inbox with the Quizzes newsletter! Today, phone scammers are getting smarter and more complicated. And if you're not careful, they could make a lot of money from you, the caller off guard. Aside from hanging up if you hear this four-word phrase, there's something else you can do to avoid being a victim. Certain area codes may warn potential targets that the call is not secure, according to Joseph Steinberg, CEO of SecureMySocial. Although people who call scam ever used a number 900, they have changed their methods as the general public has noticed. Now, many phone numbers scam have area code 809, which originates in the Caribbean. Still, to keep the public out of their trail, the scammers hide behind other numbers as well. It is known that criminals use caller IDs with area code 473, which appears to be domestic, but is actually the area code for the island of Granada, Steinberg says. Watch out for these phone call scams that could steal your money, too. By the way, those calls add up fast. You may be charged at least \$5 per minute for receiving a call from any of these foreign countries, according to AARP. In addition, scammers can scam you with your money through fake shared times, cruises or fake stories about dangers or money problems. iPhone scams and Uber scams are also on the rise, making Apple fans and Uber users more cautious. These are the Uber scams you need to keep in mind. To play more securely, Steinberg recommends that you do not answer or return a call from a number you don't recognize. If you really know the person, they can always leave a voicemail. Remember that it's unlikely that someone you don't know, who's in trouble in a place you're not familiar with, will dial a random number in another country and ask you to help them, he says. They called the police. Although area codes 473, 809, and 900 are the biggest culprits for scams, it can't hurt to be careful with calls from numbers with the following international area codes. Scam phone numbers: International area codes with a +1 Country Code 242 — Bahamas 246 — Barbados 268 — Antigua 284 — British Virgin Islands 345 — Cayman Islands 441 — Bermuda 473 — Grenada, Carriacou and Petite Martinique 649 — Turks and Caicos 664 — Montserrat 721 — Sint Maarten 758 — St. Lucia 767 — Dominica 784 — Saint Vincent and the Grenadines 809, 829 and 849 — Dominican Republic 868 — Trinidad and Tobago 869 — St. Kitts and Nevis — Jamaica Next, read about these online scams you need to know and Avoid. Using a phone number with an area code 578 represents an attempt to disguise the origin of a call. Area codes in the NANP were first used in the early 1950s, with 86 of a possible 152 area codes in use. As the number of phone users increased over the decades, additional area codes were overlamented to complement needs in the continent's highest-density regions. For example, area code 917 overlaps area codes 212 and 718 in the New York City area to accommodate the significant increase in phone users there. Ugurhan

Calls received from area code 668 can be traced back to telemarketers, bill collectors, and surveyors. Area code 668 is used to disguise the valid phone number, making it impossible to identify the call or track the calling company. Phone calls and text messages received from this area code can be reported and added to the list of fake numbers. Scammers are also known to use invalid phone numbers. No city has area code 855. It is a free area code used in the United States and Canada. Calls are free for the caller because the receiving party pays long distance charges. While free area codes like 855 are used in both the United States and Canada, the owner of the free number may place restrictions on calls to accept. For example, if a company in the United States does not want to accept Canadian call rates, they block the connection of Canadian numbers. Calls to 855 and other free area codes are not free for callers from outside North America. Area codes 520 and 928 are generally (but not exclusively) designated for all cities and towns that are not in the Phoenix, Arizona metropolitan area. The largest city in Arizona within area code 520 is Tucson. The largest city in Arizona within area code 928 is Flagstaff. View a map of Arizona area codes.
