Click the teal download button. Vowels Group Phonics Worksheets These worksheets really pack a punch in helping students read the words using pieces they know (aka reading by analogy). This is a lifelong skill that we use as readers. So we want to encourage it, even starting with small pieces like vowel groups. The vowel groups included in this free color track pack are ai, ay, ee, ea, igh trigraph, oa, ow, oo, and ow. All these pages focus only on the great sounds of the vowel group. In the upper-right corner of each page, you'll find the part of the vowel group that students should focus on with a keyword and an image. Students paint the piece on each page and then use that piece to help them read each word. It's that simple! Looking for more vowel group resources?
