University of michigan hockey

Central Michigan University (CMU), a public university founded in 1892, is one of the largest public universities in the country. Cmu enrolls about 28,000 students and offers 200 programs leading to multiple undergraduate studies, graduates and professionals. CMU provides more than 20 degree online programs, including 10 bachelor's degrees in areas such as administration, integrated leadership studies, psychology, political science and community development. CMU provides nine master's degrees online, ranging from education to health administration to nutrition and dietetics, as well as PhDs in educational leadership, health administration and educational technologies. The university provides 12 online master's degrees covering education, special education, business administration, health administration, and more, as well as three online doctorate programs in educational leadership, educational technology, and health administration. CMU online courses are compatible with the asynchronous format, although some may require a live chat session. The university offers its online courses in eight weeks, twelve weeks and sixteen weeks. Online students have access to professional services, library resources and academic counselling. Online Bachelor's Degrees Online Master's Degrees Online Undergraduate Certificates Online Graduate Certificates Central Michigan University is accredited by the Higher Learning Commission (HLC). The university also has accreditations from the Accreditation Board for Engineering and Technology (ABET), the Association to Advance Collegiate Schools of Business (AACSB International) and the Council for Social Work Education, among others. Approved in each state. Bachelor's degree = \$405/credit; Graduate = \$548/credit Acceptance Rate: 69% Admission requirements vary by program. Bachelor's degrees: require high school transcription or GED transcription, plus transcripts from any higher education institution and/or official military transcripts. SAT scores are not required for adult students online. Degrees typically require official transcriptions from each institution in which they participated, GPA, testimonials and personal statement. Some programs may provide GMAT/GRE exemptions for highly qualified candidates. Transfer credits: There is no limit to the number of loans that can be transferred from regionally accredited institutions. However, it is up to the specific study program in which they are enrolled to decide what credits will be accepted towards the degree. The transfer of credit to graduates shall be considered on a case-by-case basis.
