I'll see you all later. &K< Even in our modern era, the cute tradition of the holidays is watching Christmas cartoons on TV. From classic stop-motion animation cartoons from mid-1960s rankin/bass productions to newer nickelodeon holiday specials, this list includes the top picks for your annual Christmas cartoon viewing, with something for everyone-naughty and nice. The 1965 United Features Syndicate Charlie Brown Christmas is easily the most beloved and iconic of all the Christmas cartoons that ever aired on television. I defy anyone to get a little hazy in their eyes when that little tree stands tall and bright, or when those little round mouths form the perfect wasps while singing Christstmas carols. Charlie Brown Christmas was the first TV cartoon that was based on Peanuts, the popular Charles Schulz comic book, and it almost didn't happen. Original broadcast date: 9 December 1965. How the Grinch Stole Christmas is another classic Christmas cartoon, sporting a slightly more diabolical side. Based on Dr. Seuss's picture book of the same name, How the Grinch Stole Christmas quickly became a favorite because he had the best talent in animation behind the scenes. Chuck Jones directed the cartoon and stars Boris Karloff and June Foray provided the votes. Although the Grinch is a character you love to hate, the ever-optimistic Max is definitely the favorite. The moral of this story has lasted for decades: Perhaps Christmas-perhaps-means little more than gifts. No matter how many times they try to stretch the original into the film, the original cartoon always wins. Original broadcast date: December 18, 1966. Videocraft International Productions Rudolph is one of the highest rated Christmas specials of all time. An example of stop-motion animation from Arthur Rankin Jr. and Jules Bass (as opposed to whole animation), Rudolph remains a much-loved and timeless all who sometimes felt inappropriate ay. Silver and Gold, Have a Holly Jolly Christmas, and There's Always Tomorrow have become standard songs for the Christmas period. Original broadcast date: 6 December 1964. Sometimes you'll be lucky enough to also catch Rudolph's shiny New Year too, from 1976. Classic Media Frosty Snowman cartoon is based on traditional Christmas carols. It tells the story of several buck-toothed children who bring a snowman to life, using a magical top hat. This cartoon was also produced by Rankin and Bass, although they used traditional whole animation rather than stop-motion this time. Legendary actor Jimmy Durante is the narrator. Original broadcast date: 7 December 1969. Frosty snowman's success inspired the sequel, Frosty's Winter Wonderland. Warner Bros. Home Video I'm a gentleman of heat and I'm the lord of the sun. Burn with me! A year without Santa Claus is the story of two eccentric brothers, Heat Miser and Snow Miser, at opposite ends of the world who control the weather. When Santa loses her mojo, Mrs Claus has to reconcile the feud siblings in order to deliver toys to the children of the world on time. The Miser brothers' songs can be heard on every Christmas radio station across the country. Original broadcast date: December 10, 1974. Classic Media The Little Drummer Boy is a lesser-known stop-motion cartoon from Rankin/Bass, based on a carol about a little boy who follows a Christmas star to pay tribute to Jesus Christ, the newborn king. Children might find this holiday especially terribly depressing because they feel sad for a little boy who had nothing but his song to give. As adults, we can now see that Little Drummer Boy offers a message for the true meaning of Christmas, celebrating Jesus' birth and giving our talents what they can be. Original broadcast date: December 13, 1976. Christmas with the Simpsons collection gathers many Christmas episodes from the show into one elegant package. Includes the first Christmas The Simpsons roast on open fire when the Simpsons adopt Santa's Little Helper, along with Mr. Pland, Miracle on Evergreen Terrace, Grift of the Magi, and She's Little Faith. What's fun about these episodes is that each one is looking for the meaning of the holidays in a different way, but it comes with pretty much the same sweet answer. ABC Although Olive, the other reindeer is a fairly recent cartoon, compared to others on this list, joins other Christmas classics because it offers humor and insight for children and adults. Olive is a little dog who believes he's a reindeer. The cartoon tells the story of how her dream of being a reindeer comes true. This Christmas special is based on a children's book of the same name that perfectly captures the illustrative style of J. Otto Seild. Drew Barrymore's performance (one of her first voice-overs) as Olive is charming. Original broadcast date: December 17, 1999. Nickelodeon It's SpongeBob Christmas! was Nickelodeon's first stop-motion animation Christmas special. In it, SpongeBob must beat plankton when it starts turning everyone into a humbug. The cartoon was an animation success, demonstrating humor that is unique to SpongeBob SquarePants while displaying the fun and cleverness of stop-motion. Mini sets, textured characters, and catchy musical numbers add up to a singagus full of fun. Original broadcast date: December 6, 2012. Comedy Central This list would not be exhaustive without the inclusion of the South Park Christmas episode. Only this show could deliver a Christmas message wrapped in feces. In Mr. Hankey's Christmas holo, Kyle discovers a special friend who lives in the toilet. In a very miserable Christmas, Mr. Hankey is too busy with his family to spread Christmas cheer, so it's up to the boys. You can find more South Park Christmas episodes on digital and DVD, including the musical Mr Hankey's Christmas classics, Red Sane Down and Woodland Critter Christmas. Enjoy these festive cartoons after the kids are in bed. Mr Hankey Christmas Poo original broadcast date: December 17, 1997. 1997.
