There he meets Kelay, who also wants to see the list. As the place is crowded, Kelay couldn't get through. She then calls the scene so they let her see it. She fakes crying and starts screaming that she doesn't want her father dead. Members of the media come up to her and ask her what her father's name is, to which she replies Kenji Delos Reyes. Hearing this, Kenneth confronts her and says that he is the only descendant of Kenji. Kenneth then tells the media that he is a legitimate son and he can show his birth certificate to prove it. On the other hand, Kelay has a picture of Kenji. Confirming that the girl in the photo is not his mother, asked an airline officer for his contact details while Kelay avoided. Kenneth confronts her to ask who the girl in the picture is, and Kelay deals that she she she Tell Kenneth as soon as he agrees to tell her as soon as the airline contacts him for information about Kenji. Worried, Athena is in a hurry and finds Abi lying in a hospital bed. Abi has stage three of stomach cancer and was the reason why she broke up with Kenji. In an effort to make Abi happy and live longer, Athena breaks up with him. Kenji and Abi get married, and Abi gives birth to Kenneth. Then 20 years later, while searching for Kenji in Legazpi, Kenneth gets a call from the modern Lucas, and he helps in the search for Kenji.
