7 My Rating :star: :star: What he likes The Martial Art's Dislike ??? Novels Dada, Ching of a love spell Age 15 B-day ??? Biographical information from DandyBiographicalFriendsPucca, Garu, Ho, Uncle Dumpling, Linguini, Dada, Ching, AbyoRomancesChing, brief girlfriend due to love spellSeries, but Dada is her boyfriend, but should not be shown in episodesDandy is a silent and very mysterious employee in the restaurant Goh-Rong. He's a new character for Netflix's Love Recipe.Little is known about Dandy's past and origin, as he's often quiet and guarding for himself. In Dandy's Secret, it is revealed that he came as a spy to find martial secrets that are said to be on Sooga Island. He tried to find answers with master like that, but to no avail. After seeing the interaction of Pucca and Garu, he believed that they or the restaurant itself holds the key to finding their secrets. It works mainly as he quotes the potato peeler. He does odd jobs around the restaurant, changing the signs to the menu, working as a minor caretaker, and occasionally serving as a chef, for which he has a talent, though this never seems to be noticed by anyone at Goh Rong. There have been several episodes in which he cooked or took over when the chefs are absent. He tolerates Dada, as do most characters, as he is very motivated to find the secrets. In Love Soup his romantic side is briefly seen when he falls in love with Ching due to the effect of the aroma of a love potion placed in a soup. However, once the spell passed, both he and Ching felt incredibly surprised and clumsy. Despite Fyah's attempts, Dandy never betrayed the Chefs or Goh-Rong. Even at his lowest point, he stood by his side and tried to help them when needed. How 7 In Pucca: Funny Love Amino? Join the community. (September 2017) (Learn how and when to remove this template message) (Learn how and when to remove this template message) This is a list of characters that appear in the television series Pucca. Main characters Pucca Voiced by: Tabitha St. Germain (English) (2006-2008) Jeonghwa Yang (2018-) Age: 10-11 in Season 1 (11 since Slam Bam Birthday Bash), 11-12 in season 2, 12-13 in season 3 Pucca is the title character of the series. She's a Korean girl who loves Garu. Pucca never speaks, probably to imitate Garu, who took a vow of silence. Pucca lives with his uncles, the three Master Chefs at Gohrong Restaurant. She also delivers noodles from the restaurant on her scooter. Pucca is known throughout Sooga Island as the Kung Fu Hunter, and although she is not a ninja, Pucca has demonstrated some unique abilities of her own that make up what she does not have in training. Some of these skills are an almost indestructible head, the ability to run in the water, Pucca can also turn into a Sailor Scout, a Little Mermaid, and a Power Ranger, Pucca also has its immense strength. And even though she is typically sweet and cheerful lady, Pucca can be temperamental when she doesn't get what she wants. Pucca has very long black hair, but usually wears it in the odango style, accompanied by red scrunchies. She is often referred to as a goddess of time, as she caused clouds of rain and wind to form: either when her uncle's feud and the Master Chefs became irritating or when Ring Ring pushed her too far, taking Garu from her, causing her to fly away when the winds became too much. Unbeknownst to Pucca and oblivious to her, Garu is very angry at his excessive affection for him and always forging him against his will, so he finds her annoying. She always kisses Garu against her own will, whether on the cheek or lips. But more often, your lips. Since Garu is always reluctant to go anywhere with Pucca, she always drags him hard against his free will. Garu Voiced by: Brian Drummond (English) (2006-2008) Yongwoo Shin (2018-) Age: 12-13 in Season 1 (13 since The Cursed Tie), 13-14 in Season 2, 14-15 in Season 3 Garu is a dedicated ninja in training. As revealed in Romancing the clone, he took a vow of silence, which is the reason he never speaks. He will immediately accept a search if I tell him it will bring him great honor. Like Pucca, Garu is capable of overhuman athleticism and endurance. In addition to being a skilled ninja, Garu also demonstrated the ability to play the erhu. Garu is very shy and shows no excessive affection for Pucca in the TV series, but in the episode And The Band Played Rong Tobe insulted Pucca and Garu were enraged and the The relationship of Pucca and Garu is most exclusively shown in the Flash series, where they are most officially displayed as a couple. Garu is Abyo and Ssoso's best friend. Garu has 2 rivals in the series, as Tobe almost on all EP and Mooji in some eps. Garu is so angry and so bothered by Pucca's affection for him to the point where he really fears, this is shown mostly in the episode Ninja! Birds, because when he is put in jail, he goes as far as stealing Officer Bruce's keys behind the bar and throwing them in the bathroom of the prison cell. Pucca is always kissing him against his own free will. She's always forcing her lips by force. He sometimes avoids her kisses by putting another guy in front of himself for her to kiss him instead. The Goh-Rong Restaurant Chefs Voiced by: Michael Dobson (Uncle Dumpling, 2006-2008) Kirk Thornton (Uncle Dumpling, 2018-) Brian Dobson (Uncle Ho, 2006-2008) Spike Spencer (Uncle Ho, 2018-) Dale Wilson (Uncle Linguini, 2006-2008) Steve Camden (Uncle Linguini, 2018-) Dumpling, Ho and Linguini are three brothers and uncles of Pucca, as well as their guardians. They are also the owners of Gohrong Restaurant, where Linguine makes noodles. Dumpling cuts them and other ingredients, and Hoe fries it all. They all have the name of some food - Dumpling after Dumpling, Ho after Hoe, and Linguini after Linguine. His spectacular dish is the jajangmyeon noodles. They keep their noodles in very high regard, and possess a culinary honor system. In Chef Slump, it is revealed that they are adapting to athletics and martial arts (but in a matter of cooking). They also once had a common love interest in Kua, an adventurer, though she ended up leaving them to Master like that. But in Hot and Bothered, Hoe finally got a girlfriend, a fire goddess named Hottie. Abyo Voiced by: Lee Tockar (English) (2006-2008) Doug Erholtz (English) (2018-) Age: 12-13 in Season 1, 13-14 in Season 2, 14-15 in Season 3 Abyo is Garu's best friend. Practicing kung-fu, Abyo is very outgoing, competitive, selfish, self-centered, confident and excitable. He believes that he is a kung-fu master and that all the ladies want him (none of which are true). Ching has a thing for him and often gets jealous when he flirts or looks at girls. Abyo is the son of Bruce, the chief of police of Sooga. It is standardized (or stereotyped) after Bruce Lee. Ching Voiced by: Chantal Strand (English) (2006-2008) Melissa Fahn (English) (2018-) Age: 10-11 in Season 1, 11-12 in Season 2, 12-13 in Season 3 Ching is the daughter of Chang, the master of Turtle Training Hall. She is highly skilled in both sword handling and combat. She's Pucca's best friend. Although she is usually happy, warm and supportive, she gets angry whenever Abyo flirts with other girls. She also has an egg hen called Won which can often be seen sitting on his head. Villains Ring Ring Dubbed by: Tabitha St. Germain Germain Karen Strassman (2018-) Age: 10-11 in Season 1, 11-12 in Season 2, 12-13 in Season 3 Ring Ring Ring is Pucca's enemy and rival. She is elegant but vanity and selfish, always wanting to be better and more beautiful than everyone else. However, no one pays attention to Ring Ring due to seeing her as she really is. She resents Pucca for being more beautiful and elegant than she is. Ring Ring is the goddess of the wind, and is possibly from China (explaining her Chinese choice of clothes). When someone makes her angry or upset, she gains the ability to stretch and control her long hair and the sleeves of her dress, and the power to sing in a high octave. She also has a shih-tzu named Yuni. She spends most of her time trying to get Pucca's attention or hurt her. However, she occasionally sees the consequences in pushing Pucca too far. Ring Ring is very obsessed with Garu. Most of the time she is trying better Pucca, so that Garu love her, which most of the time fails completely. She looks Chinese by physical appearance and attire, and speaks in a voice that sounds like a combination of Betty Boop's voice as a kind of New York accent and a Chinese accent. Tobe Voiced by: Lee Tockar (2006-2008), Ben Pronsky (2018-) Age: 12-13 in Season 1, 13-14 in Season 2, 14-15 in Season 3 Tobe is one of his zombies applies to being one of Tobe's new minions and when Tobe asked the zombie to tell him a little bit about himself, the zombie responded with a zombie-like, audible groan followed by the term Brainless in which Tobe thought the zombie was mocking him by saying that Tobe has no brain). Muji is also known to have a good ping-pong record according to the usually eliminate themselves by misinterpreting Tobe's commands or acting like stupid. Like Muji, he has minions. The Ninja Clan Voiced by: Bill Mondy (Clown), Shannon Chan-Kent (Chief), Louis Chirillo (Shaman) A trio of bandits carrying out mostly minor crimes. They are Binggure (a clown kicked out of the circus for not being able to laugh), Jumong (a clumsy magician) and Jing Jing/Chief (the female chief of the Tramp Ninja Clan). Jing-Jing is in love with Tobe, and marres him in the episode Evil Love because of Cupid's wrong arrow. Jing Jing speaks with an East Asian accent, Binggure speaks with a New York City accent with a verbal tic of Eh probably because he is a clown, and Jumong speaks with an indistinguishable American accent. Jumong's magic spells often fail or backfire, and Binggure can't entertain as well as a clown. Jing Jing is the only woman in the group and is the smartest of the three, but got even smarter in episode 4 Eyes, 2 Minds. Jing Jing, the chief/leader, speaks with an East Asian accent in a very n different from the vocal-wise ring ring of both tone and accent. Muji Voiced by: David Squatch Ward Muji is a Man of Hispanic appearance with Latin accent, with black hair, afro-textured; a skin tone for that of a Latin person or a black person; a mustache that matches your hair in color and texture; costume-fighting clothes -- looking in gray; and matching gray gloves. Like most cartoonists who pride themselves on their whiskers, he pronounces the word mustache as moo-stash instead of muh-stash. Muji, however, has an East Asian name, despite his appearance and accent. His servants are zombies who usually speak in the language called Zombie, which, of course, is a series of groans and groans; and speak occasionally English, which more particularly is the word Brains as most zombies in fiction say. When he leaves, Muji usually wears a gray hooded robe over his head, especially when he is being booked or doing evil schemes. Muji prides him on his mustach and combs it in a portable mirror more often than not. When Muji was in the Episode Ping-Pong Pucca, he teamed up with fellow villain tobe to beat Garu and Abyo in the ping-pong competition. He was once assigned by ring ring to sabotage Pucca's party in the episode Ring Ring Party Favors by giving him Chinese demon beetles, to which he failed. (He gave her fireflies instead). Not only is his moustache part of who he is, but also his conscience, telling him to do bad things. Muji is the stereotype of a man with a goutout. Muji's greatest fear is a barber because of his moustache. This was seen in the episode Astral Boy and Dream Girl). His servants are gray-skinned and muscular zombies who seem to coincidentally use the word Brains as an answer to what seems to be said at that time. (For example, in the special episode Muji's Bride, when Muji asked what makes the version of Garu's Frankenstein story that he doesn't have, his zombie groaned Brains; and in the episode Striking Out, one of his zombies applies to being one of Tobe's new minions and when Tobe asked the zombie to tell him a little bit about himself, the zombie responded with a zombie-like, audible groan followed by the term Brainless in which Tobe thought the zombie was mocking him by saying that Tobe has no brain). Muji is also known to have a good ping-pong record according to the Episode Ping-Pong Pucca. Like Tobe, he has minions. Dong King Voiced by: Michael Sorich Dong King first appeared in Season 3. He is the father of Ring Ring, the boss of Fyah, the CEO of Dong King Restaurant and bitter rival of chefs Goh Rong. He serves as the final villain of Season 3. Fyah Voiced by: Steve Camden He first appeared as a villain in Season 3. He is Dong King's footman, and is often forced to carry out ring ring schemes. He has a simple-minded nephew named Ayo. Smaller Villains Cat Clan They are rivals of (Garu's cat) and are all in love with Yani (Pucca's cat). Although it is never in the show, their names are, according to the website Jetix are: Brutus, Socrates and Napoleon. Doga Voiced by: Kathleen Barr An evil witch with a bad temper, she attacks anyone if they step on her shadow. Doga was known to harbor black magical powers, but they were no match for Pucca's energies of light and love. She speaks with a New York accent in a hoarse voice. Supporting characters Santa Claus Voiced by: French Tickner (2006-2008), Spike Spencer (2018-, credited in Finale Credits) First appeared in a Christmas story, but then began to appear frequently, showing what he does when it's not Christmas. This includes many jobs; how to be a doctor, taxi driver and shopkeeper. He is usually an involuntary victim of Pucca when she is after Garu. In one episode, Santa Claus signs up to become a ninja like Garu. Before becoming Santa Claus, he was known as a thief named Red Lantern who used to work in pairs with a ninja named Black Powder. Voiced by: Lee Tockar (2006-2008), Todd Haberkorn (2018-) Age: 10-11 in Season 1, 11-12 in Season 2, 12-13 in Season 3 Dada is a dishwasher and waiter at goh-rong restaurant. He is usually nervous, tense and clumsy, often making accidents in the kitchen. He has a thing for Ring-Ring, even after the way she treated him at the end of Novela. In Chef Napped, he helped Ring-Ring kidnap noodle chefs from around the world, including chefs Dumpling, Ho, and Linguini (as a form of revenge for the way they mistreated him). He and Ring-Ring were both frustrated by Garu, Pucca and their friends. Dada has already become Ring-Ring's boyfriend in Soap Opera, thanks to Mr. Dishey (a bubble genius). When he was exposed by Pucca to everyone, Ring-Ring was furious and left him. Despite this, she is sympathetic to him, as he often feels down and is grateful for his kindness. It is also suggested that Dada has developed feelings for Pucca ever since and does not think Garu is right for her. So he joined the Ring-Ring again in He Loves Me Not to pretend to be Garu and divert his feelings for Ring-Ring. It was her attempt to show Pucca that she was wasting her time chasing Garu and she should be with him instead. When Garu exposes Dada as the impostor, everyone was shocked. However, Pucca is angry at him for this because his action was a form of betrayal of his friendship. Destiny Destiny is a Chinese-style golden dragon that lives in a cave behind the waterfall on Lake Sooga. Destiny is a lounge singer and pianist. He and Pucca tried to plan a romantic date with her and Garu. Garu left, but when Destiny said that because he left Pucca crying, he has no honor to fight him. In the end, Pucca helped him score his first show in years performing at Goh-Rong. He reappeared in Chef Napped! where he flew the gang to Las Vegas for the World of Noodle Convention, and to rescue the chefs when they were kidnapped. He also appeared in Enter the Dragon Girls as the leader of the Dragon Girls troop. He was also seen in Full Moon Pucca, when Garu was doing lip sync. Destiny was behind a fence, making the royal singing. And at Garu Hood, he ate the last bowl of noodles, so Garu Hood (also known as Robin Hood) had to retrieve it. Fate ended up eating Garu. Abyo and Dada until Pucca beat him. Fate can fly (although it has no wings), and breathe fire, but in addition, it can grow roaning or singing. Master stu Voiced by: Richard Newman Master stu means to be the leader or mayor of Sooga Village. He always flies in a cloud and he always has a large group of identical handmaids flanked by his side. Master stu seems to be the source of all knowledge of the village, and he often acts as a guide for people in need, similar to how Ching's father, Chang, appears to be a teacher. Master like that is bald, has a dark beard, and is almost always excited with eyes looking closed, except on rare occasions. He also seems to have twill under his closed eyes. He seems to be arrogant and bragged, with examples being the episodes Datin' and Dumplins. Tomb It May Concern, Knock It Off!, And The Band Played Rong, and so on. Master so was the host of the beauty contest in the beauty contest Sooga called Little Miss Sooga, where his identical handmaids were also competitors in the said contest. He also organized the ping pong match in the episode Ping Pong Pucca. It is said that the master is hundreds of years old, especially himself. He is the old wise being of Sooga Village, and he seems to be in charge of the entire village especially according to the episode: Knock It Off!. He may seem gentle at first, but he can also be mischievous, especially according to the episode The Choo-Choo Trouble, where he plays with his younger brother who appears to be the leader of his own village called Master Loo. When he plays with his younger brother named Master Loo, who appears to be the leader of his own village, it is a cookie container full of rubber snakes, which is intended to be a birthday joke with him. He is, however, the principal teacher of the whole village. Ssoso Voiced by: Kathleen Barr (2006-2008), and Tony Azzolino (2018-) A young Buddhist monk who is very calm and collected, often speaking in proverbs and wise, but also has a terrible vision. He practiced martial arts for many years in a Shaolin temple, but left there to pursue better martial art skills. He's a rival to Abyo. Mio Garu's beloved black cat. It is said that time can be counted by looking into Mio's eyes. He seems able to perform a feline form of martial arts and is in love with Yani pucca). He also hates going to the vet's office to get an injection. Mio only went there because Yani was there as a moral support. Won Won Pet chicken that is often seen on top of your head. She is known for laying powerful eggs that lead Tobe to try to capture Won with failed results. Yani Pucca's pink cat. Yani is the most popular cat in the village of Sooga. She always gives her paw, being a snobby cat. She is loved by Mio and the Cat Clan, who are rivals to Mio. Yani is in love with Mio and dislikes the Cat Clan. Yuni Ring-Ring shih tzu's pet. She is considered Yani's rival. Yuni can be seen being ring-ring's accomplice trying to pucca or trying to stop her. The latter became evident in Ring-Ring's Party Favors when she was carrying an envelope (with a ring-ring invitation to Pucca's party). Yuni was reprimanded by Ring-Ring in Little Miss Sooga for picking up the silkbugs and making Pucca's dress look better than hers. Minor Characters Cop Bruce Voiced by: Dale Wilson (2006-2008), Kirk Thornton (2018-, credited in Finale Credits) Abyo's father, he usually pursues Abyo when he is being 'anti-social' (or destructive). Your wife is never seen or mentioned. He usually says it's over after almost everything he says, as if he's speaking in police language. Chang Voiced by: Michael Daingerfeld (2006-2008), Todd Haberkorn (2018-) Chang is Ching's father. He is the master of Turtle Training Hall and teaches martial arts Ching, Garu, Ssoso and Abyo. Your best friend is Officer Bruce. Common Civilian Goblins. They're paper creatures. Its gender is determined by its color - blue being masculine, and pink being feminine. These smiling people can also build things quickly. They are usually seen everywhere in sooga village. They are also useful to help others. They have special abilities, such as fire or water control, and can also combine to form a giant smiling man if their emotions run high, as if they were angry. References retrieved from
