Are you looking for FIFA 15 controls? You can find them here. Shortcut Introducing FIFA 15 Checking Videos Introduction This is the first time you play FIFA? Are you used with PES controls? Do you always make confusion between cross and shot buttons? You do not know how to sprint? We're here to help you. This short guide has all the FIFA 15 controls you need to play the game. Don't forget that you can change the button configuration to suit your preferences. You can either choose from three controller configurations (classic, alternate, and two buttons) and choose which one you want to use before each battle with an easy LT/RT or L2/R2 feature. There is a video at the end of this guide that shows you all FIFA 15 controls.
