Main Article Gallery: Gingka Hagane / Trivia Gallery at Beyblade: Metal Fusion Episode 2 Gingka Scarf Resembles Pegasus Wings when thrown into the air. His birthday is June 12th. Zodiac is gemini. His name is used for the Series Ultraman Ginga, which for each protagonist is used by a friend named Quinta. It is a 5 Blader that uses Beyblade Pegasus, was 4 Rio Hagan (the original owner of Storm Pegasus), and the second and third are Julia Fernandez and Raoul Fernandez. The original Pegasus Beyblade featured in the video game Bakuten Shoot Beyblade - Gekitou! Saikyou Blader used by Amo Caro, a blader that only appeared in video games. Despite being the #1 Blader in the world, Gingka's winning/losing record is much worse than that of Raghu and Rioga, although it can be said that, since he defeated Raghu Ryuga, Gingka defeated Raju, Gingka defeated Raju, Gingka defeated Raju, Gingka defeated Raju, Gingka that Ryuga has fought Raju one-on-one. weaker than Rioga. Gingka is almost lost too and needs the power of star fragments of all the beys in the world to win (though, to be fair, Raghu not only absorbed the power of Rioga, but also all of the other legendary Bladers, including Gingka himself, as well as the strength of masamon striker, Eagle Tsubasa, and Lipra-Yu of earlier). However, this may also be to emulate the importance of understanding defeat and becoming unbeatable from having friends support it. Also, the fact that blader is the only known blader in the series to gain the power of every Blader in the world with honor (given him willingly) and without stealing like what Rago and Ryuga did and defeat Nemesis, who was the same kind of power from his abduction from the legendary Bladers, may be attributed to being the #1 Blader in the world. Although Gingka began his journey to get the Lightning L-Drago again, he did not do this as Rruga kept L-Drago. Even before He was a legendary Pleider, Gingka had a blue halo surrounding him when he and Pegasus were pushed to its limits. At the time, this was known as the spirit of The Pleider and ironically that Gingka trains much less than Kiyoa Tatgami does (although this may be due to the fact that before leaving the village of Kuma he always trained as a child), yet still stronger than him in combat. In English Dub, Gingka's voice became much louder than during the first episode of Saga: Pegasus has landed. In hard-to-survive battles, Gingka has always won because of the inspiring cheers of others behind him, as in Beyblade: Metal Fusion Episode 51 or Beyblade: Metal Rage Episode 51-52.
