Volunteers make us follow our mission! If you are looking for a complementary way to give your time, please consider volunteering with us! Read more: Fostering dogs is a great way to restore the well-being of these animals. Putting them in foster care allows them to have one of the interests and care while freeing up space to help. If you are interested in more information, read more of your generous donations straight to work to save hundreds of abandoned, abused and abandoned dogs. KnowYour's involvement will provide proper veterinary housing and healthy food. Thank you! Read more Our Rescue is located on 5 beautiful acres and the first stage of construction is complete. We have seven art dog houses. These homes can withstand three types of hurricanes, so in an emergency, our dogs are kept safe. In addition, these dogs are designed with regard to our furry friends. Comfortable air-conditioned living area and access to the outside dogs as well. It is very important to us that our furry puppies are comfortable and safe! Safe!
