By Greyson Ferguson The Amazon Book Database is a library of electronic books that you can buy for download from the site. Each file is an electronic book that you can view on your computer screen (just like a user manual downloaded from the Internet). The download is available in PDF format, with most books as educational text. After downloading the file, you can view the PDF on your computer via a free PDF reader like Adobe Acrobat Reader. Depending on the book, text downloads can range in price from a few dollars to a few hundred dollars. Log in to your Internet browser and go to the Amazon.com website. Select Buy all departments on the left side of the screen. A list of all departments loads on the screen. Click Books. The first option available in the menu displayed is Books; click on it. Select Computer & Internet from the left side of the displayed screen. This is Amazon's section that specializes only in computer-based books. Under Browse, click Database from the left side of the displayed screen. Scroll slightly down once you see the database books and click PDF under the Format heading. Select the book you want, and then click Buy or the book title. This will give you a screen with buy now with 1 click option. Select this to take you to the purchase process. Fill in the required information and click Download. The Amazon Book Database PDF file is now downloaded directly to your computer. By Chanel Adams Your MP4 player can't just play music and videos. You can listen to audiobooks or read eBooks about it. Downloading these types of books to the MP4 player is a relatively simple process. Make sure you know what types of books and files your reader uses before attempting to download any files. Otherwise, the files will not work or corrupt the MP4 player. Review the user's help to find out what type of file formats MP4 supports. This way you can view the file on the MP4 player. Convert the file if necessary. Different online programs allow you to convert your eBook or audiobook. Remember to convert to a format that the MP4 player recognizes. Connect the USB cable to the MP4 player. Connect the other end to the USB port of your desktop computer or laptop. Click Start, and then click Computer. Go to the place where you saved your books. Right-click, and then click Copy. To select more than one book, hold down the CTRL button. Return to the Computer menu. Double-click the MP4 player folder. Right-click and click Paste. Wait for it to complete Download.
