Dogfight 3 is a flash game where you have to complete different missions in the air. Mostly, those missions are about destroying enemy aircraft and ground weapons. The first level of the game has a fairly simple mission - destroying two enemy aircraft. You have to use dangerous stunts and generate a strategy of air warfare and put those enemies down. Remember that your enemies are also pretty strong and have weapons, so you have to be careful and use clouds as your ally to hide and attack enemies like eagle. The more you play this game, the more addictive it becomes for in higher levels of play you will have to deal with up to 6 enemies at the same time, you have to be very accurate and strong. Remember that once you take down your enemy, you'll see the pilot with parachute. Kill him to get additional 'no' Points.
