## Treasure hunter's guide perhaps

THE LATEST EDITION is just in time for The Hunt 2019! - Treasure Hunter's Guide - Other Parks This edition is long overdue. It contains BC-Maplewood, Central, Keller, Spoon, Lakewood, Long Lake, Silverwood, Snail Lake, Sucker Lake, Tony Schmidt, Matoska White Bear, Lake Vadnais, and of course... Swede Hollow and Bruce Vento Nature Sanctuary. That's a great time for a 2019 hunt in Long Lake! (click on it if you need it). I also have the traditional St. Paul version (from 2016 - see below). It does not have a new Aiwan Pavilion (2018) at Phalen and the redevelopment of Beulah Lane and Jessamine and Wynne Avenues in Como Park (2016), but it is still relevant (click if you need it). The Google map next to it is an on-line screen for parks in District 6 of the City. Clicking on it will take you to sample this powerful digital compliment for both books (thousands of photos in parks across the county). I recommend scouring this website to see all its growing content. It shows the St. Paul's park I've been researching. More to come. Just in case you have a clue that references districts in the City, here's a look: © 1996, Amazon.com, Inc. ou suas afiliadas Although this treasure chest filled with sweets is a fun place for most kids, the real treasure is in the hunt! From image hints to word scrambles and anagrams, children enjoy hours of fun during our latest treasure hunt. Now our young group living varies in age from 5 to 15 who work great with the oldest helping the youngest. However, don't leave the fun just for the kids because my parents have a lot of fond memories of adult treasure hunts that they call rallies on the street! So to relive the fun, I am excited to share our clues and happy treasure hunters in the midst of their hunt, as well as, share simple steps to create your own treasure hunt for young or young at heart.
