## World war 2 introductory webquest answer key

Alternatives to them You can use connection questions that track reading to start a discussion, and you may ask students whether Langer’s concept is connected to the giant leap Sonia Weitz described in her poem For Yom Ha’Shoah, exploring more examples of anti-Semitism, Chapters 8 and 9 of the Holocaust and human behavior, as well as many additional resources about Jewish resistance during the 1960s. Among these are examples of both spirituality (read voices from Warsaw Ghetto) and armed resistance (read The Warsaw Ghetto Uprising) in the Warsaw ghetto. Nazi
