Hillsborough county public schools first day of school

HILLSBOROUGH, FLAT (News from 10) - July 23, 2020 - At today's special, called the School Board, the board voted to approve the school superintendent's recommendation for students to be moved from August 10 to August 24. Teachers and staff will return to schools as planned on July 31. The school trustees also approved a new student calendar to make up for a missed classroom due to pressing the school's start day until August 24. The county will change Monday, March 22, 2021 and Monday, April 19, 2021 from non-student days to regular school days. In addition, students will return from the Winter Vacation a day early, on January 4, 2021. School trustees also voted for a new timetable for the bells to ensure students have the time they need in their courses. The plan to reopen the district school will be sent to the state for final approval, as required by the state executive order.
