Tohatsu's Technical Information page provides the latest information about the Nissan Outboard, including answers to common service questions. We pay cargo in the U.S. for all orders over \$100. For orders below this amount, a shipping and handling fee of \$8.75 will be added. There are additional charges for some large and heavy objects. You will be notified in advance if this is the case. All orders are usually delivered through USPS. Keep in the way that all subscriptions receive free technical support from MasterTech! © 2000-2020 Boats.net. All rights reserved. Parts Books is available free of charge to our customers. The subbooks are in Adobe PDF format. To download or view these documentation, you must have Adobe Acrobat Reader installed on your computer. IMPORTANT: Be careful when dialing the model number to ensure the correct section selection. The parts of Tohatsu and Nissan are identical except for cows and branded fuel tanks containing certain brands. TIP: The latest pages of the subbooks contain assembly kits and repair kits, such as lower unit configurations, power head assemblies, carbohydrate sets, water pump kits, gasket and seal kits, electrical kits, and more. This applies to the 1996 model year and to the new parts.
