(Source: not applicable) OLDHAM COUNTY, Ky. (WAVE) - Students at Oldham County Schools will begin the upcoming school year on August 24 after monday's Education Board meeting approving changes to the 2020-2021 calendar. The board unanimously passed the updated calendar, and the new start date for students was postponed by two weeks from the original date of August 12. Board members explained that the calendar changes for the coming year include a start date of August 21 for teachers, and the teacher's work day is scheduled for August 20. The calendar would not have any changes to school breaks, but it would take the date of the flexible calendar near Election Day, making it the teacher's work day. The last day for students of the new calendar year 2020-2021 will be June 2, 2021.
