His first major role was the opening of Adam Park, the second Black Power Ranger and later, green zeo ranger and the first Green Turbo Ranger in the Power Rangers franchise, which led to roles in some martial arts television and feature films. Bosch is based in Los Angeles and does most of his voice-over work on Bang Zoom! Entertainment, Animaze, New Generation Pictures, NYAV Post, Studiopolis and in some cases are going to Dallas to record shows funimation. In July 2019, Kickstarter launched a crowdfunding campaign for the White Dragon film, including former Power Rangers performers Jason David Frank, Bosch, Jason Faunt, Ciara Hanna, Yoshi Sudarso and Chrysti Ane, as well as Jenna Frank. The campaign ended on 11 August 2019 without reaching its funding target. [2] On 27 March, the project received a second kickstarter launch with a lower goal, this time in the form of a mini-series. The project was funded and is now working on it to stretch goals for limited series and potential feature film. The second campaign ended on May 27, 2020, with \$508,578 raised, which meets the goal of the feature film. [3] [4] Life and career Bosch was born in Kansas, Missouri, and grew up in Garland, Texas, as John Jay Bosch. [5] [6] [7] His father was an army soldier and met his mother while in South Korea. He was interested in martial arts at an early age, inspired by martial arts films and Bruce Lee. [5] [6] At first he taught himself martial arts,[6] mimicking moves from Lee as well as Jackie Chan. [8] Bosch said he was a lot ridiculed when he was young and became a whoa, but after kung fu studies have made a difference. In addition to training in martial arts, in which he won several competitions, he also played football. [8] [6] Power Rangers Bosch auditioned for the Power Rangers show in Dallas after being informed about listening to his martial arts instructor. [5] In 1994, he landed as Adam Park, the new Black Power Ranger, replacing Walter Emanuel Jones' second season at the Mighty Morphin Power Rangers. Bosch said that when he got the part, he changed his middle name to Yong, which was part of his mother's name, at the request of Saban, who thought that his credited name needed more Asian. [8] On the feature film Power Rangers: The Movie,[5] he did all his tricks after his stunt had broken his leg. [8] He also noted that among all the different animal Rangers got linked, she was tied to a frog. [9] [10] In Power Rangers Zeo Bosch's character became a Green Ranger. His final regular stint in the franchise was Power Rangers Turbo, where his character passes his Green Turbo Ranger powers to a new member. [5] He played Adam in the second feature film Turbo: The Power Rangers Movie. [8] [5] Looking back on his run to the show, Bosch said that Power Rangers was a lot of fun, but it was a children's show and very stylish because of what made getting the job then really hard. Plus, I didn't know the squat about acting then. [5] His best friends, jason oliver, Jason Narvy (who played Skull) and Nakia Burrise (who played Tanya Sloan). [8] At the request of Power Rangers director Koichi Sakamoto, he had a guest appearance on the Power Rangers operation Overdrive episode Once A Ranger in 2007 on the franchise's 15th anniversary, where he mentioned that he travelled to New Zealand. [9] He and Narvy also starred in the film Wicked Game, also known as Extreme Heist, directed by Sakamoto and features several other Power Rangers graduates. [11] In July 2019 kickstarstar, a crowd-funding campaign was launched for the film Legend Of The White Dragon, including Jason David Frank, Bosch, Jason Faunt, Ciara Hannah, Yoshi Sudarso, Chrysti Ane and Jenna Frank. [13] The Voice, which operated bosch, debuted as the main character Vash Stampede of Trigun. In 2006 he again worked with Koichi Sakamoto on the film Broken Path. That same year Bosch was also cast as Ichigo Kurosaki in the lead role in the hit shonen anime bleach. In 2007, Bosch co-starred alongside Ray Park in the comic book-style action film, Hellbinders. Among other works, Bosch also expressed the Lelouch code Geass in 2008 and Durararas Izaya Orihara in 2011. In video games Bosch voiced Firion, the final fantasy II hero, in the crossover games Dissidia: Final Fantasy and Dissidia 012 Final Fantasy. In 2011 he nicknamed Janu Super Street Fighter IV Arcade Edition, Tohru Adachi and the hero Yu Narukami persona in 4 games and its anime adaptation. In 2014 Bosch also voiced the main character Hajime Hinata from Danganronpa 2: Goodbye Despair. In 2015, he was called by Kung Jin Mortal Kombat X. Among the video games, Bosch liked to express Nero devil May Cry 4 as he got to travel to Japan to do motion capture. That same year Bosch landed Artemis's role in Viz Media's redub from Sailor Moon, as well as Sailor Moon Crystal. Bosch also voiced lead character Nate Adams from Yo-kai Watch, which has aired on Disney XD USA. [14] On July 4, 2017, he recorded the cartoon in the network's Mighty Magiss, recording with power actor Oshriers. [15] He retaliated for the role of broccoli kick, as well as playing the Giant Monster and the second season of the two-parter episode of The Incredible Tiny Warriors. In 2019, Bosch replaced Vic Mignogna as the new voice of Broly and Sabo due to the funimation of the Dragon Ball and One Piece franchises, respectively, as allegations of sexual harassment were made against Mignogna. [16] [17] Eyeshine Bosch, who in 2017 Saboten Con Bosch engaged in music by teaching herself how to play guitar. In his band Eyeshine he provides vocals, songwriting and guitar. He describes the type of music he plays as Edge Rock. We're somewhere on the edge of sounding like grunge, alt. [5] His musical inspirations include The Beatles, Foo Fighters, Nirvana, Oasis, Led Zeppelin and also movie soundtracks. [9] The band released the instrumental album Sonosis. Bosch described the album as something you could just listen to and would move you to feel something and that the headlines were a reflection of the emotions we felt as we wrote songs. [9] In December 2017, the band gave its final performance to Yama-Con. [18] Personal life Bosch was born to a Korean mother and an American father of Irish and German descent. He is the second of four children in his family. [8] He has mentioned that he is a Christian in some interviews. [5] [8] [10] He is married to Amy Bosch and has a daughter named Novi and a son named Jetson.
