It was released by Glory Boyz Entertainment and Interscope Records on December 1, 2012. [1] The album features guest appearances by 50 Cent, Wiz Khalifa, Lil Reese, Rick Ross, Young Jeezy, Master P, French Montana and Fat Trel. The album was supported by three successful singles: I Don't Like, Love Sosa and Hate Bein' Sober. After its release, the album was met with consistently positive reviews by most music critics. It debuted at number 29 on the Billboard 200, with sales of 50,000 copies in the first week in the United States. Background Finally Rich was originally intended to be released as a mixtape, but was later converted into a full-length album. [2] The album was originally scheduled for release on November 27, 2012, but was postponed to December 18, 2012. [3] Singles Love Sosa – Chief Keef (2012) A 30-second rehearsal of the chorus for Love Sosa. Problems playing this file? See Media Help. I Don't Like with Lil Reese was released on March 15, 2012 as the album's lead single. The song reached number 73 on the US Billboard Hot 100, number 20 on the Hot R&B/Hip-Hop Songs and number 15 on the Rap Songs Chart. [4] It also appeared on Chief Keef's mixtape Back from the Dead, which was released for free on March 12, 2012. The mixtape was later mastered and offered for sale on iTunes. On May 1, 2012, a well-known rapper and producer Kanye West made a remix with Pusha T, Big Sean and Jadakiss. The remix is the last track on the G.O.O.D. music compilation album Cruel Summer. [6] Love Sosa was released on October 18, 2012 as the album's second single. The song reached number 56 on the Billboard Hot 100, number 20 on the Hot R&B/Hip-Hop Songs and 17th on the Rap Songs Chart. The music video for Love Sosa was released on October 18, 2012. [8] It was later announced that the song Love Sosa would be featured on the video game Grand Theft Auto V. [9] Hate Bein' Sober was released on December 13, 2012 as the album's third single. The song includes guest appearances by other rappers 50 Cent and Wiz Khalifa. The song reached number 16 on the US Billboard Heatseekers songs. [10] Nick Catucci of XXL gave the album an L and said: I Don't Like has napped in, and much of his debut has the same replay value. So people will love it. People will hate it. Chief Keef probably doesn't care. He's 17, and he's finally rich. [25] Jesse Fairfax of HipHopDX gave the album three out of five stars, saying that a fair rating can see its dangerous character as a product of its surroundings rather than a simple glorification of misconduct, with Rich eventually creating entertainment out of hopelessness. Having grown into adulthood in a short period of time, immaturity is certainly a big part of his tick, but above all Keef's rise mirrors devastating socioeconomic conditions that are all too often swept under the carpet. [26] Jayson by Pitchfork gave the album a 7.5 out of 10 and said: Finally Rich benefits from some professional improvements in the mix, but otherwise leaves Keef's sound untouched. And in addition to the success on It proves that Keef has a lot of potential – whether it is in questioning his moral content (less a glorification of violence and poverty than a lamentation), but by analyzing how we reacted to it, and the different socioeconomic realities that his music expresses for a demographic and a voyeuristic joy for another. [28] Mike Madden of Consequence of Sound gave the album two and a half out of four stars and said: If there's one thing we've learned about Keef so far, it's that he's done a pretty good job putting his own spin on familiar sounds. [29] Ryan Reed of Paste gave the album five out of ten and said: Keef has a lot of raw talent and captivating real-life drama to draw from, and with Young Chop he has found one of hip-hop's most exciting up-and-coming talents. [30] Nick Catucci of Rolling Stone gave the album three out of five stars, saying that with his affective slut and the maurer's pace, falling over rolling, medium-speed beats, Keef (who has been criticized for mocking a murder victim, his rival on Twitter) seems unwaveringly confident but profoundly directionless. The effect is fascinating and a little scary. [22] David Jeffries of AllMusic gave the album two-and-a-half out of five stars and said: In the end, it's raw, irresponsible, merciless and often contagious, but the controversial Finally Rich is by no means a step forward. Think of this as the most guilty pleasures, if any. [16] Kitty Empire of The Observer gave the album three out of five stars and said: His major-label debut, Finally Rich compiles a whole series Tracks that made the rounds, with a handful of new songs. It is disturbing, elemental and similar, yet absolutely unignorant. [20] Accolades Spin ranked the album at number 14 in the list of the best 40 hip-hop albums of 2013. [31] Pitchfork ranked the bonus track Citgo at number 56. ihre Liste der Top 100 Tracks des Jahres 2013. [32] Sie platzierten das Album auch auf Platz 82 ihrer Liste der besten 100 Alben des Jahres 2010-14. [33] Kommerzielle Performance Das Album debütierte auf Platz 29 der Billboard 200, mit einem Verkauf von 50.000 Exemplaren in den Vereinigten Staaten in der ersten Woche. [34] Am 27. März 2013 verkaufte sich das Album in den Usa 152.000 Mal. [35] Am 23. Juli 2018 wurde das Album von der Recording Industry Association of America (RIAA) für einen Verkauf von mehr als 500.000 Exemplaren mit Gold ausgezeichnet.
