What's on your mind? Roilu does not develop, I have a level of 37 Roilu, which still has not developed. Does anyone know how to fix it? pls reply. Thanks in advance(edited Retrorat) how can I find the heart scale, or is the list of items where? Just updated how can I develop feebas? Thank you in advanceShards Are those green, yellow, red and blue shards ruthless? Fossils Where is the fossil converter?magnetonhow develops magnetonalakazamh how cadabra develops into alakazam? Route 18How to get through Gracidea Meadow to Route 18. And how to get to Misty Island. Thnx in advance. Doubt where is the cable link obtained? link cable how to develop pokemon using link cable? Friendship development? How do I develop pokémon (which usually develops with friendship)? Like Pichu and Buneary? They still use friendship? Do they evolve when they reach a certain lv? Are they evolving using an element? Lucario How can I develop my riolu? HM 04 STRENGTH???? where can I find HM 04?? i cant find itCharjabug Evolve Where can I Evolve my Charjabug because according to wiki i need a place with a special magnetic field. Development of the storeWhat do you develop pokémon such as Kadabra, onix, golem, where you need to trade for development? or are all trade evolution pokemon possible to get in the game?script to resize row 20 is not an implicit conversion from nile to all number of errors got this error when I open the game, can someone tell me how i can fix it?ty very edit comments

Parts in Pokemon Mega Adventure, there are many acquired Mega Stone that looks like purple sparks, You can't find it easy because it was hidden – But here's mega stone location in Pokemon Mega Adventure! Location Pictures in Koriyama City, you will find an abandoned house, just go south behind the bridge, you will see a flower next to the sign, there it is. On Route 6, inside the Rock Cave. Find your sister and head north. Don't take the stairs! Go east and find the cave. He'll lead you to the mega stone. In the town of Tsukachiga inside the Clean Tower. On the third floor, the left staircase below the grunt female. At Aerocliiff Bridge, north of The City of Mitsugi. When you walked past the bridge, he was there. The power plant near Sunnyvall City/Venusaurite Blastoisinite Charizard X, Y May will give you it to sunnyvall City, standing in front of a gym in the sunnyvall city underground crossing that connects the Solar Wave with the city of Mitsugi, you will find it on the side of the road. At Fairy City Market, go to Bottom East. Misty Island. This can only get before you beat all prime grunt teams and its admint! It's in the top right corner. 2nd floor of the drop-down tower, on the 2nd floor, go south, then west, because the guy's blocking the path if you come from the other side. The 8th floor of the drop-down tower is in front of the ninth step. Route 8, where the 2nd Century Is now in the world, is where the 2nd Century Is now in its 10th century. Route 10, you need surf and Drop-down tower event for that. From the Event Hall, go west to the surfing spot, there will be 2 island, on the 2nd island behind the trees. On Route 7, when you get power and rock, go to the cave. There's going to be a staircase in there, go up the stairs and go to the cave that's been blocked by the rock. It's got an old amber and a mega stone. On route 13, if you come from Insester city, just follow the road to the east, this will lead you to the north, but there will be a road to west, down this road and there will be a mega stone at the entrance to the forest. Go to a cave in Synchron, go north, there's going to be a strong rocky path, and then just follow the path until you hit the dead ut. Still in a cave in Synchron, now take the rocky path and find a step down. Once you've been down there, 2 routes will go left, and find it on the rocks immediately after you go north of this left path Move all Team prime inside Mt.Snarlet tip at the entrance to the cave will give you Mt.Snarlet No navigation available Mt.Snarlet No navigation available from the Battle Line, proceed left towards Gracidia Meadow will be on the way. Teach him dragon ascent Via Granny in the hall of the event until you have this move, you will be able to Mega Evolve Rayquaza in battle. *Latiosite Will get through the full story [Descend Tower Event] Latios will give you it as it will join you in the fun *Remaining non-renewable Mega stone you can buy through mega stone vendor in the Hall of Events NOTE : If we miss something, please tell us in the Comments section! Thank you~ Community content is available under CC-BY-SA, unless otherwise stated. More Pokémon Mega Adventure Wiki Wiki
